FORWARD

I have attempted to start this book numerous times, and have literally been running from the assignment that God gave me seven years ago. Today is July 4, 2009, and He has set me free to write what is on His heart, and what the world needs to hear. My message is not "warm and fuzzy", it is not politically correct..... but it is the truth. I have figured out that running from God is too hard, trying to hide is impossible, and being double minded is a curse. The Lord gave me the word "409" back in April of this year. Considering the fact that I am a "clean freak" I knew what He was saying. He was asking me to walk 100% for Him, and He wanted me to come clean in every area of my life.* He was no longer going to allow me to get away with anything.

The title of this book, "EVERYTHING COMES OUT IN THE WASH!!! is prophetic. The Lord gave me that title many years ago. He said that it meant two things. First, it meant that EVERYTHING YOU DO, GOOD OR BAD, WILL EVENTUALLY COME OUT IN THE OPEN!!! Secondly, it meant NOTHING THAT YOU HAVE DONE, AND YOU ARE STILL ALIVE ON THIS EARTH, IS BAD ENOUGH THAT THE BLOOD OF JESUS CHRIST CAN'T CLEANSE AND FORGIVE.....WITH THE EXCEPTION OF TAKING THE MARK OF THE BEAST (REVELATION 13:16-18) WHICH IS THE ULTIMATE BLASPHEMY OF THE HOLY SPIRIT. I will elaborate more on this at the very end of this book!

*"For nothing is hidden that will not become evident, nor anything secret that will not be known and come to light." Luke 8:17

"But there is nothing covered up that will not be revealed, and hidden that will not be known." Luke 12:2

"So do not be afraid of them. There is nothing concealed that will not be disclosed, or hidden that will not be made known. What I tell you in the dark, speak in the daylight; what is whispered in your ear, proclaim from the roofs." Matthew 10:26-27

***"But God demonstrates his own love for us in this: while we were still sinners, Christ died for us. Since we have now been justified by his blood, how much more shall we be saved from God's wrath through him! For if, when we were God's enemies, we were reconciled to him through the death of his SON , how much more having been reconciled, shall we be saved through his life! Not only is this so, but we also rejoice in God through our Lord Jesus Christ, through whom we have now received reconciliation."* Romans 5:8**

***"Also he compels all, the small and the great, and the rich and the poor, and the free men and the slaves, to be given a mark on their right hand or on their forehead [signifying allegiance to the beast], 17 and that no one will be able to buy or sell, except the one who has the mark, either the name of the beast or the number of his name. 18 Here is wisdom. Let the person who has enough insight calculate the number of the beast, for it is the [imperfect] number of a man; [a]and his number is six hundred and sixty-six."* Revelation 13:16-18 Amplified Bible (AMP)**

This is going to be a "let it all hang out book" and my sole purpose is that you DO NOT GO TO HELL. I will be speaking about sex, drugs, demons, and a suicide attempt back in college that allowed me to visit the tip of hell and come back into my body. Moreover, I will be discussing many spiritual lessons that I have had to go THROUGH ... not something I read in a book. It is my heart to express all this, so you can benefit and gain wisdom and insight from my hard lessons!!!

INTRODUCTION

The fact that God would instruct me to write a book is very humorous!!! Anyone that knows me, especially my family, knows that I have never enjoyed reading. The truth is, other than the books that I was required to read in high school, I hardly ever read. I used to think that anyone who was a reader.....was a NERD!!! The only kind of books that I have read have been about spiritual matters, and even those have been limited. I am a very simple person, and I have no completed college education. I spent more than half of my life stoned on marijuana. I also need to make it very clear, that I am not a bible scholar, and I am learning new things every day. There will be people who read this, that are much more versed in the word than I am. I am simply telling you my life story from the perspective of a graceful, loving God that has walked me through hell.

The recent things that have been happening in the news have lit a fire in my spirit to get this written. I am speaking about the sudden deaths of several celebrities, murders, and suicides growing daily. The mass unemployment, despair, and the spirits of fear, depression and death becoming a daily message spewed from the media. The Lord had told me before the stock market crash in September of 2008 that "GROWN MEN WILL TAKE A GUN AND BLOW THEIR BRAINS OUT." I now know what He was talking about and why. Whether people want to hear it or not, we are truly living in the last days as we know it, and the prophetic clock is ticking at about 11:58 pm.

My job is to bring a huge wake up call to the body of Christ, and to all that do not know Jesus as Lord and Savior. His heart is crying for the lost, and He wants as many people in the ARK as possible , before it is too late!!! The Lord said to me a few months ago , "YOU DO NOT HAVE AS MUCH TIME AS YOU THINK!!!" Those have been very SOBERING words. I need to make it clear, that I have never heard the voice of God audibly. However, I have learned to discern the small, still

voice that always tells me the truth, and His name is the Holy Spirit. I have prayed that as you read this book, that God Almighty, who I know as Jesus, or The Holy Spirit, will permeate your heart, mind and spirit, and set you free from all demonic bondage that has kept you in captivity. You may find yourself sneezing, coughing, laughing, crying, yawning, passing gas, or burping..... which are all ways that demons are expelled . If these things occur, don't freak out, go with the flow!!!

I believe in demons. They are very real, and are literally running rampant on this earth and operating inside and through people. At one point in my life, I was loaded with them. Only heaven knows how many. I have a passion, and a calling, to bring deliverance to others, in the name of Jesus. It is time that I and the body of Christ, quit "playing church" and get real, and exercise our authority , in the name of Jesus, over the demonic realm. Satan and his army of demons need to be scared of us.....not the reverse, that we are scared of them!!! *

****"And I say also unto thee, that thou art Peter, and upon this rock I will build my church; and the gates of hell shall not prevail against it. And I will give unto thee the keys of the kingdom of heaven: AND WHATSOEVER THOU SHALT BIND ON EARTH SHALL BE BOUND IN HEAVEN; AND WHATSOEVER THOU SHALT LOOSE ON EARTH SHALL BE LOOSED IN HEAVEN. Matthew 16: 18-19***

"Submit yourselves, then to God. Resist the devil, and he will flee from you. Come near to God and he will come near to you. Wash your hands, you sinners, and purify your hearts, you double-minded." James 4: 7-8

In simple terms, demons or spirits are simply fallen angels that were kicked out of heaven along with satan when he rebelled against God.* Satan , Lucifer (angel of light) has many different names. He led the worship in heaven, but decided that he was bigger and better than God. One third of the angelic host chose to follow satan. Hell was

created for them, not people, which indicates that God knew what he was going to do. That is why He is God, He knows the beginning from the end. He is the Alpha and the Omega!!!

**** "And the seventy returned again with joy, saying, Lord even the devils are subject unto us through thy name. And he said unto them, I beheld satan as lightning fall from heaven. Behold, I give unto you power (exousia) to tread on serpents and scorpions, and over all the power (dunamis) of the enemy; and nothing shall by any means hurt you. Luke 10: 17-19***

"Then He will say to those at His left hand, Begone from Me, you cursed, into the eternal fire prepared for the devil and his angels!" Matthew 25:4

God does not send people to hell, we send ourselves there. God sent Jesus to die on a cross for mankind worldwide. Jesus went to Hades for three days, so that you would not have to go to there for eternity. Jesus is the only man that was raised from the dead, which distinguishes Him from other "religions" and "religious teachers." Demons are instructed by satan to trap and ensnare you in various bondage, and different types of sin, so that you end up like them. It is a classic case of "misery loves company!!!" I will devote an entire chapter explaining more about this, ***and backing it up with scripture.***

One of the reasons that it has been so difficult for me to focus on this book is because so much of what I need to share is very embarrassing, shameful, bizarre, and controversial. I have a friend back in Michigan, Paul, that always gives me the "Snoopy" analogy of my writing....."It was a dark and stormy night!!!" That is as far as Snoopy got on his writing endeavor, and that is how I have felt up until recently. The flow to write was simply not coming!!! I did an interview about going to hell on the 700 Club, a popular Christian TV ministry in 1997. God orchestrated that entire transaction, which I will elaborate on later in the book.

Shortly thereafter, there was a brutal attack of the enemy that transpired in my own personal life. Some of it was delayed judgment of God, and some it was simply the devil trying to destroy and silence me. I arrogantly told God, "You can go get yourself another lackey to talk about hell, because I am never going to open up my mouth about this subject again!!!" Telling God what you are going to do, is like trying to fly a plane without any fuel....it is not going to happen!!! My motive is all about where you spend eternity and being obedient to God. A great analogy would be if I was walking past your house, and it was on fire, and I did nothing to help you. I didn't call 911, I didn't even go up to the front door, and see if there was anyway I could rescue you out of the flames before it was too late. If I don't tell you what I know, then your blood will be on my hands.*

****"At the end of seven days the word of the Lord came to me. 'Son of man, I have made you a watchman for the house of Israel; so hear the word I speak and give them warning from me. When I say to a wicked man, You will surely die, and you do not warn him or speak out to dissuade him from his evil ways in order to save his life, that wicked man will die for his sins, and I will hold you accountable for his blood. But if you do warn the wicked man and he does not turn from his wickedness or from his evil ways, he will die for his sin; but you will have saved yourself.'"Ezekiel 3: 16-19***

I already have some blood on my hands, because this was to be written several years ago. People that I was supposed to reach have already died and gone to hell. That is a reality that I can no longer ignore or blow off. So, with all that said.....put on your seat belt, because you are getting ready to take a spiritual trip!!!

CHAPTER 1 "K.I.S.S." ©

1:1 "Keep it Simple Stupid!!!!" is the acronym that the Lord recently gave me, and then several days later, spoke the exact words through another person. It was an awesome and humorous confirmation, because in my past attempts of writing this book, I thought I had to tell every detail of what has happened. That was a huge task, that enabled me to continue to procrastinate!!!

1:2 I think I need to point out that I actually had an ADVANTAGE of growing up in a family that did not serve or know Jesus. I love my family dearly, and one by one, they are coming to a knowledge and understanding of Him. However, when I was growing up, any relationship with God , or attending church was not our thing. The reason that I say it was an advantage to be a "heathen" is that I never would have experienced what I did, and I can never judge anyone else.* This makes it much easier for me to view people through the eyes of Christ, and have the ability to love the unlovable. When you have been forgiven much, you love much!!! I also had the advantage of having no "religious" teachings that would mess me up!!! I take God at his word, and He has never let me down!!!

1:3 ***"Do not judge, or you too will be judged. For in the same way you judge others, you will be judged, and with the measure you use, it will be measured to you." Matthew 7:1-2 "Therefore, I tell you, her many sins have been forgiven----for she loved much. But he who has been forgiven little loves little." Luke 7:4 "The children of this world are in their generation wiser than the children of light." Luke 16:8 "See then that ye walk circumspectly, not as fools, but as wise, redeeming the time, because the days are evil." Ephesians 5: 15-16***

1:4 I never want to be "religious!!!!" Religion is a spirit, and it is one of the meanest, cruelest, and most cunning demons. It has several cousins, like judgment, criticism, piety, arrogance, deception, manipulation, control, greed, legalism, and a few others!!! Frankly, some of the deepest hurts that I have experienced, have been from the "religious bunch." I have had to learn to separate the demons from the people. I am permitted to hate the demons, but I am not permitted to hate the people. Several years ago, the Lord said to me, "YOUR BIGGEST OPPOSITION WILL BE THE RELIGIOUS BUNCH!!!!" I can't even begin to tell you how true that has been!!!

1:5 When I reflect back on my childhood, I can see the hand of God on me... and the devil ,who knew the call of God on my life. I do recall the few times that my parents attempted to take us to church, all hell would break loose!!! Satan knew that if he could bring strife, contention, chaos, and several other spirits on the scene, he would accomplish his goal of keeping us from the word of God, and a relationship with Christ.

1:6 I am the oldest and only girl of four children. I have three awesome brothers, two of which, I was integral in helping raise. I remember my mom coming home from the hospital with my two younger brothers, and it was like they were my babies. I also did a lot of babysitting for other families, which is how I made my money as a teenager. My father, who was a career military man, was given orders to move frequently. I learned at an early age, to not get too comfortable, or make friends, because it seemed like we were always picking up and moving again. I never was a straight A student, like my other brother, but I usually came in with a B average. I

did not like myself physically. I thought I was fat and ugly. When I look at pictures of myself growing up, I do not think that I was a cute or an attractive kid. Kids would tease me, and call me stupid and fat. The truth is , I was chubby, and I loved to eat. I was using food as a narcotic

at a very early age. My mother is a gourmet cook, and good food was always around, and it was my drug at the time. I would eat if I was happy, and I would eat if I was sad.

1:7 I can recall at the age of sixteen , I became aware of satan and his many demons started talking to me, and tormenting me. At the time, I did not know what these voices were, but I knew that something invisible was talking to me. I can describe the spirits of depression and torment, hovering over me like a dark cloud, telling me that everything in life was bad, and I was no good.*

1:8 *"Finally, be strong in the Lord and in his mighty power. Put on the full armor of God so that you can take your stand against the devil's schemes. For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms." Ephesians 6:10-12

1:9 It was also at the age of sixteen that I was introduced to marijuana, actually hash, by a relative. At that time, this person was my idol, and I wanted to be just like her. One night , while my parents were gone, she was visiting, and we ingested hash. She stuck the drug into a capsule that we both ingested. I then ate an entire cake that my mother had made from scratch. The relative and I were sleeping in

the same bed, and I rolled over and threw up in the bed, because I was so stoned and so full!!! Unfortunately, another bad idea and demon was passed on from this relative, because she told me that when she was full, she would simply throw up. I was always envious of her slim body, and I figured if puking was good for her, than it was good for me too!!!

1:10 So now the spirit of puking, which I believe is a spirit of control, became a huge bondage, that brought on many problems for me

and my family members. When I started the binging and purging back in high school it was not well known as it is today. The world calls it bulimia, I call it a spirit of control and it has other cousins as well. Nobody in my family could understand this gross habit. I never told my parents until recently how I got the idea. I had also started running, and my body was now getting toned and muscular. I would sneak food, steal from stores, and binge and purge. It was like I could have my cake.....and eat it too!!!

1:11 It came to the point that this lifestyle, along with smoking pot, when I could, literally ripped up our once happy, loving family. My brother who is a year younger than I , began to hate me and the chaos that I was creating. We were once very close, and our relationship now had become very explosive under the same roof. My little brothers were victims of the strife, and somehow coped with the insanity. God says that a house divided CAN'T STAND!!! *

1:12 **"Every kingdom divided against itself will be ruined, and every city or household divided against itself will not stand." Matthew 12:25 "An offended brother is more unyielding than a fortified city, and disputes are like the barred gates of a citadel." Proverbs 18:19*

1:13 My parents forced me to go to a psychiatrist, because they simply could not understand why I was doing these things. I can remember hating to go, and I felt like all I was doing was playing head games with an educated shrink. He told my parents that I was very intelligent, but screwed up!!! He had no answers for my problems, because the problems were spiritual and demonic. In his defense, he simply was not trained in this area. We were living in Indiana at the time, and I can say that life had turned into a nightmare. When it was time for me to go to college, all I wanted to do was get away from my family, get high , and do my own thing!!! I had been labeled the "devil's daughter" because of the chaos created by my actions.

CHAPTER 2 COLLEGE DAZE!!! ©

2:1 I had chosen a state college in Indiana to attend school. The choice was simply economics. My father had co-signed a student loan, and this is the school that we could afford and was also away from home. His statement to me, about my choice of schools, was "that is a party school!" My father's words were right on, because it was a party school!!! I started out in one of the standard dorms, and later moved over to a building that had much more character and personality. I very quickly was able to make connections in obtaining drugs. I was known even among the pot heads as a "druggie." I began experimenting with LSD, mushrooms, and cocaine. My daily drug of choice was high grade marijuana.

2:2 The difference with me, is that I loved partying alone. I can't blame "peer pressure" because I did not party with others, nor did I drink alcohol, take pills, smoke cigarettes, or attend bars. I was the classic loner freak that drowned myself in heavy rock and roll music, much of it satanically inspired. I did not believe in satan or demons at the time, and I certainly had no relationship with God or Jesus. I classified Christians as nerds, wimps, and losers.

2:3 Somehow, the first year I was able to make decent grades. My routine was I would get stoned after running in the morning, and function high most of the day, including my classes. I would then go to bed very early, set the alarm for about 2:00 am and study sober. Then like clockwork, I would start getting high, and it would continue all day.

2:4 The vision that I had for myself, at that time, is that I, after four years, would graduate with a degree in business/marketing. I would then be employed by a leading pharmaceutical company, with a big expense account, company car, huge salary and large commissions. I would be selling drugs to doctors, and using illegal drugs as I was doing

it. I did not like pills, but I knew there was great money in that business. Wow, that life was going to make me happy and very rich.....so I thought!!!

2:5 The summer in between my freshman and sophomore year was spent in a job in Ely, Minnesota. I knew that I had changed so much there was no way I could stand the time back with my family, nor could they stand me!!! The job was advertised in the school paper, and it was at a canoe camp. I had a really good time, and I stayed sober the entire summer, simply because I could not get away with getting high on this job.

2:6 I then entered my sophomore year of college. The classes were no longer "basket weaving 101" or "the study of the Beatles!!!" I was known for my wild dorm room which I had decorated with stolen goods. I had also become a huge thief. The fact that I did not get busted was a miracle. I recall my brother, who is a year younger than I am, coming to make a visit. He walked into my room, his mouth dropped, and he said, "this looks like an opium den!!!"

2:7 No doubt, reefer was the drug of my choice. However, the effects of all of the drugs were also starting to take a toll on my mind. I could no longer remember things like I could before. I had bounced many checks, and for a short period of time, started selling weed. To say that I was a mess, was simply an understatement. I lied so much to my family, that I had to start writing down the lies, so that I could remember what I had told them. I did not get involved with boys sexually, because frankly I enjoyed the drugs over people. I was actually very sexually naïve, and I had not dated in high school.

2:8 I can recall by late fall of this year, I started hearing voices talk to me again. I had no idea that these were demons speaking to me. I was not doing well in the business courses that I had selected, and I

eventually quite going, and stayed in the dorm room and did drugs. Ironically, I still jogged every day and tried to maintain that habit. It was usually when I was out on my run that I would hear these voices start talking to me.

2:9 The best way I can describe it, is that it was like a big monkey on each shoulder. One would tell me, "you are a rat!!!" The other one would tell me, "kill yourself!!!" I now know these as spirits of death, torment, and suicide. Their assignment was to make me kill myself. * I now know that because all of the satanic music, all the drugs, and all the sin, I had opened myself wide to the demonic realm. These demons were very persistent, and they would not give up until I did what they told me to do.

****"The thief cometh not, but for to steal, and to kill, and to destroy." John 10:10***

2:10 It was now time for Christmas break. I had made a fake report card, which made it appear that I had made straight A's. I had the real report card mailed to my dorm, and the day before I left for home, I mailed the fake one to my parents address. I recall the reaction from my parents that I had made straight A's.....they were very happy and amazed. My brother who is a year younger, was the most discerning, because he did not believe it!!! My plan was to play the game that everything was okay, and then I would return to the college campus and kill myself in the dorm room.

2:11 I recall telling a few people that were in the same building that I was going to end my life. I know there was one girl, by the name of Sue, that was praying for me. Word had traveled that I was planning a suicide attempt. Living had become pure hell, and all I wanted to do was die. I was already dead inside and I wanted to escape this earth.....never considering where I would go. I need to make it crystal clear, that a month before I actually attempted suicide, I had run out of all sources of money. Therefore, I could no longer purchase any

drugs, nor was I selling them because of major paranoia. I only had a few dollars left. I will never forget the day that I walked into a hardware store, and said to the male, older clerk, "I need something that will kill a rat!!!!" I know it sent shivers up his spine, because his reaction was all over his face. I scared him. He sold me a box of D-Con rat poisoning, and I walked out of the store. I then went into a drug store and stole a bottle of Sominex. The following day, I was determined that I was going to end my life.

2:12 Death would be better than the tormented life I had been living. The reason that I chose rat poison, was because the demons told me I was a rat, and frankly, I couldn't disagree. I had been doing really bad things. I took a cup, and I mixed the entire box of D-Con with warm water, attempting to make it dissolve. It was gross and lumpy. I then drank the entire glass full of rat poison, and then took the entire bottle of Sominex with tap water. It would have been much easier to do this, if I had been high, but I did it sober.

2:13 The next thing I can remember, as I was laying down on my bed, is my body began to gyrate and shake like that of a snake. I could not control the movement. I began screaming, as the poison was permeating my system. I then recall my teeth clenching, I bit my tongue, and my spirit started going down a very BLACK SPIRAL TUNNEL, in which I heard HORRIBLE SCREAMING and MOANING.* The next thing I knew, I was back into my body, and there were paramedics hovering over me. Fellow students had heard me screaming, called the authorities, and they opened up my locked door.

2:14 *"As the weeds are pulled up and burned in the fire, so it will be at the end of the age. The Son of Man will send out his angels, and they will weed out of his kingdom everything that causes sin and all who do evil. They will throw them into the fiery furnace, where there will be WEEPING and gnashing of teeth. Then the righteous will shine like the sun in the kingdom of their Father. He who has ears, let him hear." Matthew 13:42

2:15 I recall one of the paramedics squeezing me and screaming , "what did you take???" I don't remember if I could talk, but they induced vomiting, and I began puking all over myself. I do remember them finding the box of poison and the sleeping pills in the trash. The next thing I recall is being taken down the stairs , on a stretcher, screaming as other people watched in dismay as they placed me in the ambulance.

CHAPTER 3 The MOURNING AFTER ©

3:1 I woke up in the hospital , not being able to believe what had just happened. Part of me was in disbelief that I did not die, and I screwed up my own demise. The other part of me, knew that I had been to a very bad place, but at the time, I did not know it was hell. Hell was only a place that I told people to go to , or used as a cuss word. I did not really ever think that it was real, nor had I ever been taught anything about it.

3:2 Because of my age, and privacy laws of the university, my parents were not called immediately. I had to sign a waiver so that they would be informed. An ambulance bill had already been sent, so they knew something was up. Needless to say, it was not a pretty picture for them. The last they had seen me, they thought I was acing my courses, and everything was all right. It was a horrible experience for everyone. I recall my mother looking at me in the hospital bed, and not being able to deal with what she was hearing. I was spilling my guts, telling her everything I had been into, and I do remember saying, "I went to a very bad place!!!"

3:3 My family members had the gruesome job of emptying out my dorm room and having to deal with the embarrassment of this news getting all over town where they lived. People who knew me on the campus from my hometown told other people. Fellow students who met my parents, clued them in on what was going on, and they were in shock. I was taken out of school, and left with much shame. All of my hard core rock and roll albums, and possessions were thrown away. The next step was I was placed in a "Stress Center" located close to our hometown. Much of my memory is foggy about all the details, but I do recall the doctor telling me and my family that I had severe depression and had spots on my liver. He told them that he had never seen such low levels on a test that checked for depression. I would imagine, but I am not sure, he was

talking about serotonin or endorphin levels. He described my liver as being damaged and having spots show up on the test from the rat poison and all the drugs.

3:4 Even though we did not attend church at that time, my parents and their friends had many Christians praying for me. By the time that I was released from this center, the doctor told us , that he could not explain it, but the spots on my liver were gone!!! Due to the fact that I had truly dropped a bomb on them, the only thing my dad knew to do at that time was place me in a half way house located in downtown Indianapolis. Going back home was simply out of the question.

3:5 As is a common method today, the answer to my problems at the half way house was drugs!!! The difference being, was that these drugs they wanted to give me, were legal!!! I had an innate fear of pills, and to this day still do. I now know it was because I used to witness a relative drinking large amounts of rum, and following the drinks with Valium. Even the appearance of a prescription drug container scared me. I refused to take my medicine, or would pretend that I was, and would not swallow it.

3:6 I don't recall how long I remained in the half way house, but I knew I did not want to be there very long. I started applying for jobs downtown, and was hired by a sales company reselling cheaper long distance rates. The man that hired me, was charming, intelligent, and good looking. I took a liking to him immediately. As is the story of my life, God had His hand on me, and I started to sell with much success. I also had gotten sexually involved with my sales manager. The company was new and expanding, and they needed someone to open up a market in Anderson , Indiana. I was their choice, and I moved to this town.

3:7 Shortly into my endeavor with this company, I had the freedom of sitting in the apartment, smoking weed, watching (LeSea Broadcasting)

Christian TV, and doing my sales over the telephone. Once again, I became obsessed with decorating my new place, and I began stealing again. I also had made drug connections, and pot was easily obtained. Little did I know, that my face was known at a certain mall, and the security officers were waiting for me to make my next move. It was on a Saturday, and I had things that I wanted for the apartment. I never would rip anything off sober. I always had to steal when I was high.

3:8 I sat in the parking lot of the mall, smoked several joints , and walked into the shopping area. I recall loading up my purse, and a shopping bag with several items. I also stole from other stores. I would then go back to the car, get high again, unload the items, and go back into the mall. This went on for several hours. My last endeavor to steal was a boxed fan that I wanted. I walked out, got in the car, and attempted to leave the shopping center. However, as I was leaving , the car stalled, and I remember waving to the car behind me, to go around. For some reason, these guys weren't in a hurry to drive around my car!!! The car started again, and I drove it into a nearby gas station to gas up. As I got out of the car, two undercover policeman approached me, and said, "YOU ARE UNDER ARREST!!!"

CHAPTER 4 **BUSTED BY GOD** ©

4:1 I would have to say that I feel strongly that my parents had much to do with coining the phrase, "TOUGH LOVE!!!" I say this because once they were informed of what had happened, my mother told the judge in Anderson, Indiana, to "THROW THE BOOK AT ME!!!" It just so happened that this particular judge, was also a store owner, and HATED SHOPLIFTERS!!! He had no problem with my mothers suggestion, and without an attorney, I was sentenced one year in the state penitentiary, in Westville , Indiana. I had over \$500 worth of stolen goods in the car, and a bag of pot. The charges had been dropped from a felony to a misdemeanor. Before I was actually sent to Westville, I was transported to Indianapolis, Indiana. It was there, that I was truly arrested by the Lord Jesus Christ, and He THREW HIS BOOK AT ME!!! My fathers sister, who was a Christian, came to the jail, and requested that a chaplain see me. The chaplain had the love of God all over him. He led me in a prayer and I asked Jesus to come into my life, forgive me of my sins, and take over!!! *

4:2 **"Except a man be born of water and of the Spirit, he cannot enter into the kingdom of God." John 3:5 "For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life." John 3:16 "Behold, God is my salvation; I will trust, and not be afraid: for the LORD JEHOVAH is my strength and my song; he also is become my salvation. Therefore my joy shall ye draw water out of the wells of salvation." Isaiah 12:2-3*

4:3 I remember crying, and feeling somewhat different. I did not have to be convinced that I was really screwed up, and needed help. I had no problem admitting that I was a sinner, and I needed a savior. In the past, other people had tried to talk to me about Jesus, but something inside (the devil) would completely tune them out, and I wanted nothing to do with Christians. My time in prison was anything but fun.

I was helped by the women who visited the jail, through prison fellowship, and led a few of us in bible studies. They also fervently

prayed for us. I would not trade that experience for all the money in the world.....because that is what it took for me to come to the Lord. God loved me so much, that He allowed me to get busted so that I had no choice but to ask Him for help. I ended up doing only six months, and was let out on "good behavior." The problem was , just because I asked Jesus into my life, didn't mean that I still did not have many other spirits operating in me. The more sin, the more sex, the more drugs, opens you up wide to the enemy. He has legal right to enter and bring a bunch of his friends.*

4:4 **"Be sober, be vigilant; because your adversary the devil walks about like a roaring lion, seeking whom he may devour. Resist him, steadfast in the faith, knowing that the same suffering are experienced by your brotherhood in the world." Peter 5:8-9*

4:5 What I am trying to say in a nice way is, you can have the spirit of the Lord enter your house (your body, your temple) and still be loaded with demons. If you have the Lord, you can 't be possessed, but you can be oppressed or demonized. I have been a prime example of that, and as you read on , you will see what I am saying. I will cover this in more detail, later on in the book. I am going to use the analogy of the water business, because that was a major part of my life for many years, after I

somewhat settled down!!!

4:6 You can buy a water conditioner, that is designed to remove the hardness, or calcium in the water, and small traces of iron as well. However, your water contains nitrates, lead, arsenic, and many harmful pesticides. These are invisible problems, but they still exist, and are very dangerous. If you only purchase a water conditioner, and do not purchase a reverse osmosis following that conditioner, you have only solved half of the problem. It might APPEAR that your water is better, because it no longer leaves scum, stains, and things come out much

cleaner. However, when you turn on the tap to drink it, it has many toxic chemicals, that only a reverse osmosis will treat.

4:7 That is the analogy that I am using with salvation and deliverance. Salvation is when you ask Jesus to come in , forgive you of all of your sins, and be your Lord and savior. The term most Christians use is getting "saved!" referring to being saved from hell, by the shed blood of Jesus. The truth is Jesus died in your place, went to Hades for three days, and rose from the dead, so that you would not have to go there.* Deliverance, is when the demon spirits go and now the temple is clean and has much more room for Jesus. The more room you give Him, the more space He takes up.

4:8 ****"For as Jonah was three days and three nights in the belly of a huge fish, so the SON OF MAN (JESUS) will be three days and three nights in the heart of the earth." Matthew 12:40***

4:9 That is the problem with the modern church today. *Most of us have accepted Christ as lord and savior, but we are in massive need of deliverance. The biggest problem is that because of the spirits of religion, deception, pride, arrogance, greed, control, manipulation, Jezebel, mammon, and many others, we have been blinded to this reality. Most of the organized church, does not even believe that demons exist....maybe in another country, but not in America!!! The ones that do believe it, don't want to deal with it, and are not equipped or prayed up enough to confront this realm in the spirit. It is easier to sweep them under the carpeting of their churches, and pretend that everything is all right. As long as everything looks good on the outside.....ITS ALL GOOD!!! There are a few ministries that do attack this realm, but unfortunately, they are the minority, not the majority. I will cover much more on this subject, later in the book, but I needed to segue into that for you to be able to understand what else happened to me after I "got saved!!!"

4:10*"But mark this: There will be terrible times in the last days. People will be lover of themselves, lovers of money, boastful, proud, abusive, disobedient to their parents, ungrateful, unholy, without love, unforgiving, slanderous, without self-control, brutal, not lovers of the good, treacherous, rash, conceited, lovers of pleasure rather than lover of God---- having a form of godliness but denying its power. Have nothing to do with them."

1 Timothy 3:1-5

CHAPTER 5 TRYING TO DROWN OUT THE CRIES AND VOICES ©

5:1 I am going to spare you and not give all the details of what happened next. This is a synopsis. After I was released from prison, a Christian family that knew my parents took me into their home. They lived in Indianapolis. My employer had agreed to take me back, and those were the terms of me being released. I had to have a job, and a place to go. My family had been through too much, and they, for the sake of my younger brothers, did not want me back into the house full time. For a period of approximately a year, I lived with various people who tried to help me. I could not follow their rules, caused them many headaches, and I eventually ended up on the streets of Indianapolis. There was a brief stay back with my family, but none of us could handle it, and I left.

5:2 I was let go at work, and now had the experience of being homeless. The sales manager that I thought was so great, was sleeping with and using many other women, which broke my heart. I started sleeping with anybody that would get me high on pot, and give me a place to stay. I eventually got caught again shoplifting while high on drugs, and broke my probation. My father once again, had to get involved, and drove me back to Anderson , Indiana.

5:3 I was placed back in jail. The judge then ordered me to be sentenced to the state "Nut House" located in Indiana. This is where all the druggies were sent. We sat around in group therapy and played head games with the counselors and psychiatrists. "Druggies" are usually great con men or con women (the spirit of con is a demon). They will sit there and tell the nice counselor exactly what they want to hear, and seem sincere. However, because they are bound with many demons, they usually go back out , once released , and do the exact same things, sometimes even worse.

5:4 Now that I had been "cured" it was time for me to leave the "nut house!!!" I had met a fellow druggie named Steve. His plan for me was to take me back to his hometown of South Bend, Indiana and pimp me out as a prostitute. Deep down I did not want to do that, but I had no other place to go. For a period of several months, I

repeated the same pattern as before. Sleep around with whoever, and live here and there. However, now I had even bigger problems.....I was pregnant.

5:5 It was at that time, I had been looking for a job. I remember having a dream one night, and in the dream was the phone number of one of the places advertised. It was very vivid, and I woke up and wrote the number down. It was exactly the same number advertising water purification sales. I was hired by this company in Mishawaka, Indiana, on a straight commission basis. I had made the decision, that I did not want to live like a slut any longer. The reality of being pregnant was more than I could handle. I thought there was no way I could ever be a good mother, and raising a child seemed impossible with what I had already been through.

5:6 About a month later I made an appointment at the abortion clinic in South Bend, Indiana. I recall the day that I was scheduled to have the abortion, there was a man standing outside the clinic with a sign. It gave bible scriptures as to what I was getting ready to do.....kill my child. I knew what I was doing was very wrong. My conscience knew this. God was using this man as a mouthpiece. No amount of reefer that day, could numb the anguish and guilt that I felt. I don' t recall ever being told how far along I was with the pregnancy, but I was now slightly showing.

5:7 To make things even worse, shortly after the abortion, my breasts started leaking milk. My body thought that I had the baby. When I

went back to the abortion clinic for a check up, I started talking to the doctor. I told him that I knew I had killed my baby and I was weeping incessantly. He opened up to me, and told me that he had to go home every night and DROWN OUT THE CRIES AND THE VOICES that he heard with massive amounts of alcohol.

5:8 This scenario, was much different than the intake nurses had told me. They said it was only a blob of tissue, and it was not a baby yet. I would be doing the right thing, by getting rid of this "inconvenience " that had occurred in my life. After all, I had no husband, at the time. I wasn't even sure who the father was. I was told that all my problems would be fixed in one day. The reality was, a life that God had made, was sucked , piece by piece, out of my body.* I was now guilty of murder. I did not ever realize the emotional scars, and the guilt that would linger for years until the grace and mercy of God healed my emotions.

5:9 *"*The Lord gave me a message. He said, "I knew you before I formed you in your mother's womb. Before you were born I set you apart and appointed you as a prophet to the nations."* Jeremiah 1:4

CHAPTER 6 LIVING WATER!!! ©

6:1 The water purification company that had employed me was not a well known name, and I felt was too expensive. I had been stealing from stores for many years, but felt guilty, that I was stealing from people, by charging outrageous prices. That was a good sign, that I was beginning to have a conscience again!!! I no longer was shoplifting and listening to the demon of thievery, that would tell me to rip things off, because nobody would know. It was in this job, that I met my husband, Harold, who was my sales manager.

6:2 I am going to be changing the names that I use, and specific towns, to protect the families and people involved. Harold, my sales manager, was also going through a very tough time in his life. His second wife had just left him, after he had lost his music business. He was living at home with his parents. He was twenty -two years older than I am. He had gone from making a lot of money, being a heavy drinker, and losing everything.....including the wife that he loved very much. She left him after the money was gone, because of the stress, and he was trying to deal with his emotions that he had a very hard time expressing.

6:3 Harold was attending a church in South Bend, Indiana, and invited me to start going. He was no longer drinking alcohol. I accepted his offer, and started attending church weekly. He was a quiet guy, very analytical, and okay looking. The attraction to him became that of a father. My father was now out of my life, and I realize that I was looking for a father figure. I need to point out, that their personalities could not have been more different!!! After several months, I told him that I felt like I was ripping off the public with this no name water conditioner, and felt very guilty. I did make enough sales to pay the few bills I had, but I did not feel right about

it. He suggested that I go over to the well advertised , leading water conditioning company in South Bend.

6:4 I walked into the better known company, and I was hired. I was the only woman, amongst three other men. There was another sales lady there, but she was on her way out!!! I later understood why she couldn't handle the job any longer!!! Customers would call in and essentially order our product. The water in that region is very hard, and water treatment is a necessity item. It was a very easy, fun sale. I had the joy of cleaning up the customers water, helping them save money, and making them very happy for much less money and effort. I now had another sales manager, Kal. When God made Kal, He broke the mold. I had nicknamed him "legion." That is the name of the guy in the bible that had thousands of demons, and Jesus cast the demons into the pigs, and the man had his right mind!!! The pigs ended up jumping over the cliff, into the water!!!*

6:5*"Then Jesus asked, 'What is your name?' 'My name is Legion,' he replied, 'for we are many.' And he begged Jesus again and again not to send them out of the area. A large herd of pigs was feeding on the hillside. The demons begged Jesus, 'Send us among the pigs; allow us to go into them.' He gave them permission, and the evil spirits came out and went into the pigs. The herd, about two thousand in number, rushed down the steep bank into the lake and were drowned." Mark 5:9-13

6:6 Kal hated Christians, and I was becoming outspoken in my new faith. I really loved God, and I had no problem expressing my feelings about Jesus. I was going to church with Harold, and we were becoming friends. We never got involved sexually, but I was starting to enjoy his company. He was easy going, and he was able to handle the past that I told him about. He was realizing that I had the gift to go into homes and sell on straight commission. He was proud of me

for excelling and encouraged me. He remained at the other place, and barely got by.

6:7 The tension was starting to mount between Kal and I. He was driving me nuts. I was going on my second and half year at this company. I had been clean from weed for several years, and did not get stoned. However, I caved into the temptation, and started to occasionally smoke pot using Kal as the excuse. Eventually, I decided that I would investigate another dealership in this water business that was privately owned, and not a corporate store. I had heard about this particular dealership in Michigan from another guy that had worked there, and now was coming back to South Bend. He told me that the owner was looking for another salesperson.

6:8 One day I got the courage to call him, and we made our initial contact. I felt great about Jim , the owner, but his brother Larry, gave me the creeps. I was offered the job, because they already knew I was selling successfully in South Bend. I told Jim that I would have to "pray about it!!!" I was smart enough to know that God was blessing me in this business, and He was making the sales for me!!! I got into my car, and started back to South Bend. I basically said, "God should I take this job???" The Lord immediately replied, "NOT YET!!!"

6:9 I did not like His answer, but I was learning to listen to Him, and not always do my own thing. I called Jim back a few weeks later, and told him that I did not feel I was the right thing to do at the time. He was very understanding and he left the door open for me. I went back and endured six more months at the dealership in South Bend. I was smoking weed more regularly now, but was still making many sales. Each day dealing with Kal, was getting worse!!! One day, while on a sales call near Michigan, I heard the Lord say, "CALL JIM." He said it three times. So, I pulled over to a pay phone, and called Jim

again. I remember saying"do you want a lot of sales, or what???"
He invited me to come back for a second interview, and I was hired.

6:10 I realized the reason God said no before about this job, had to do with the brother Larry. It just so happened the exact week I called Jim back, his brother, Larry, had sold his half of the business to Jim, and was gone!!! Larry was the reason that I was not to take the job, because we would have clashed big time!!! I also had negotiated a position for Harold, because there were two counties that needed to be covered. Jim had been doing a majority of the selling and managing the business before we arrived. I finally convinced Harold that this would be a good deal for both of us. He deep down wanted to get out of his parents apartment, and he did not like the other company. He realized I was a go getter, and already had me pegged as a "sugar mama!!!"

6:11 I gave notice at the other dealership, and moved on. I essentially went into Kal, and told him that I couldn't stand working for him any longer, but I still loved him. We both had a bizarre understanding of each other. It came out that Kal's father had been a preacher. His father had an affair with one of the church members, and it was exposed. Kal's feelings about Christians, stemmed from the anger and the pain that he endured because of this. He was the classic preachers kid (PK) who often turn out to be very rebellious because of the things, and hypocrisy that they experience in church. As adults, he and his brother had gotten into witchcraft, in Europe, where he came from, and had become loaded with demons. His brother could levitate items, and Kal could read peoples minds and control them.*

6:12 **So I say, live by the Spirit, and you will not gratify the desires of the sinful nature. For the sinful nature desires what is contrary to the Spirit, and the Spirit what is contrary to the sinful nature. They are in conflict with each*

other, so that you do not do what you want. But if you are led by the Spirit, you are not under law. The acts of the sinful nature are obvious: sexual immorality, impurity and debauchery; idolatry and witchcraft; hatred, discord, jealousy, fits of rage, selfish ambition, dissensions, factions, and envy; drunkenness, orgies, and the like. I warn you, as I did before, that those who live like this will not inherit the kingdom of God. But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control. Against such things there is no law." Galatians 5:16-23

CHAPTER 7 **TRIBUTE TO DR. LESTER SUMRALL** ©

7:1 During my four years in South Bend, Indiana, I had the luxury of getting to experience the ministry of Dr. Lester Sumrall. He was the visionary of LeSea Broadcasting, and was a pioneer in Christian television. His ministry centered around casting out devils. *He also fed millions of people spiritually and physically through Feed the Hungry. I became fascinated with watching him and the entire subject of deliverance. I had been watching him back in Anderson, Indiana, before I accepted Christ. He was bold, intense, well respected, and a mighty , mighty man of God.

7:2 **"For though we live in the world, we do not wage war as the world does. The weapons we fight with are not the weapons of the world.*

On the contrary, they have divine power to demolish strongholds." 2 Corinthians 10:3-4

7:3 If I ever had a hero on this earth, other than Jesus, it is Lester Sumrall. People would come from all over, to the services , for help. I never had the honor of meeting him personally and talking with him privately. I was filled with the baptism of the Holy Spirit, with the evidence of speaking in tongues, in his church.* It was shortly thereafter, that the Lord spoke to me, and said "WHAT YOU SAW.....WAS HELL!!!" He was referring to the BLACK SPIRAL TUNNEL, in which I heard HORRIBLE SCREAMING AND MOANING.

"The seventy-two returned with joy and said, 'Lord, even the demons submit to us in your name.' He replied, 'I saw satan fall like lightning from heaven. I have given you authority to trample on snakes and scorpions and to overcome all the power of the enemy; nothing will harm you. However , do not rejoice that the spirits submit to you, but rejoice that your names are written in heaven." Luke 10:17-19

7:4 **"When the day of Pentecost came, they were all together in one place. Suddenly a sound like the blowing of a violent wind came from heaven and filled the whole house*

where they were sitting. They saw what seemed to be tongues of fire that separated and came to rest on each of them. All of them were filled with the Holy Spirit and began to speak in other tongues as the Spirit enabled them." Acts 2:1-4

7:5 Dr. Sumrall made worldwide news and was called to the Philippines, to bring deliverance to a young girl, who was tormented by demons. The demons were biting her, and nobody knew what to do. He prayed for her and she was set free!!!*

7:6 *"And these signs shall follow them that believe: IN MY NAME shall they cast out devils." Mark 16:17 "But you will receive power when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth." Acts 1:8 "When Jesus had called the Twelve together, he gave them power(dunamis/dynamite!!!) and authority (exousiai) to drive out all demons and to cure diseases, and he sent them out to preach the kingdom of God and to heal the sick." Luke 9:1*

7:7 I wanted to attend his church, but Harold wanted to stay at the one we were going to, that served up "milk and cookies!!!" I would go to the camp meetings that he had, and loved every minute of it!!! At the end , I will have a website address, in which you can order his books, and check out the ongoing ministry. I would recommend getting a hold of everything he ever wrote. He is with the Lord now, and my prayer is that his mantle will be passed on to this generation for SUCH A TIME AS THIS!!!

7:8 Last month, before the flow to write came, I had the following dream. I was sitting in a barber chair, with a white towel draped over my shoulders. Lester Sumrall was cutting my hair. I recently have had a new style, and he was giving me the exact same haircut. I believe it was a prophetic dream, speaking about the transfer of the anointing , a certain mantle being given, and a confirmation about the glory of God coming in a mighty way. I feel the white towel represented purity.*

Reference to hair in the bible, has to do with the glory of God!!! That dream also gave me the courage and inspiration to start writing.....no matter how controversial or embarrassing it was going to be.

***7:9 *"Let us draw near with a true heart in full assurance of faith, having our hearts sprinkled from an evil conscience, and our bodies washed with pure water."
Hebrews 10:22***

7:10 A few nights ago, I had this dream. I was standing in a public park, taking a shower in the open, in front of everyone. People were sitting on the park benches, calmly looking at me, but making no sexual comments or gestures. I believe this was also a prophetic dream speaking about my own personal cleansing being displayed for the world to see.....naked, so that you could get naked and real with God!!! The heart of God is that we all come clean with Him , and He will shower us with His son Jesus, The Living Water, and wash us clean.* Even better , we get the benefits of heaven and not the damnation of spending eternity in hell. He is the ultimate lover, and He is crying out for a love walk with you!!!

7:11 *"On the last day of the feast, the great day, Jesus stood up and cried out, 'If anyone thirsts, let him come to me and drink. Whoever believes in me, as the Scripture has said, Out of his heart will flow rivers of living water.'" John 7:37-38

CHAPTER 8 THE HANDWRITING IS ON THE WALL...YOU IDIOT!!! ©

8:1 After accepting the position in Michigan, I started my new career in late 1986. I was now 23 years old. Harold who accompanied me was 45. We rented a home close to the office. In many ways it was the ideal job for both of us. I had been given an entire territory to cover, and Harold had been given the other region that was smaller. A majority of our business, was simply people calling in needing their water cleaned up!!! The water in Michigan is not only hard, but it is also very rusty, which made for an easy sale!!! I called them "lay downs!!!" In many ways it was like going into a peach orchard, ripe with much fruit, and simply picking the peaches off the trees.

8:2 Jim the owner of the dealership was elated at the number of sales that were coming in regularly. I always gave God the glory, and told him that Jesus was the reason for my success. I was very quickly becoming attracted to Jim , who was a married man. He was tall, handsome, charming, intelligent, rich, kind, gentle, and very down to earth. If I could have made a list of what I wanted in a man, Jim had all the qualities. However, I had enough common sense to know at that time, that I should not fall in love with a man that was already married and had two beautiful children.

8:3 Shorty into our time in Michigan, I was beginning to feel guilty about living in the same home with Harold, and not being married. We got along for the most part, but there was no sexual attraction. We never held hands, we never kissed, we didn't hug, and we were not having sex. We had a few things in common. We both were in the water business, we seemingly both knew God, and we enjoyed eating out at restaurants. Other than that , we were as different as night and day!!!

8:4 I recall one day saying to Harold, "You know this looks really bad, living in the same house, and not being married. We need to get married." He looked at me, with no emotion, and nodded his head. In other words, I asked him to marry me, he did not ask me!!! Little did I know, what a miserable mistake that was going to be!!!

8:5 It was also at this time, that God was slowly but surely attempting to bring some restoration to my family. My grandfather had passed away, and I went to the funeral. It was then that I told my parents that Harold and I were going to get married. Both my mom and my dad told me that I was making a very big mistake, and that I should not proceed with the plans. I tuned them out, and said that I

thought, "It was God's will!!!!" I was not asking them to pay for it, because I was making enough money that I could afford a simple wedding. All they had to do was attend.

8:6 Harold's mother, who we would periodically visit, back in Mishawaka, Indiana, also told me not to marry Harold. She took me aside, and said, "Don't marry him, he is not a provider, and I do not want to go through this again!!!!" She had already been through two other women as daughter in laws, and knew deep down her son was not fit to be a husband!!! You would think that I would "get a clue" since I was soon to become wife number three!!!

8:7 I was not smoking pot every day, but I would occasionally get stoned. I wish I could blame my decision totally on brain damage from too much marijuana, but I know now it was deeper than that. I felt that my past was so bad, that no other man would ever want me. I settled for a person that had accepted my past, and was a source of company.

8:8 I did have the keen insight before we actually got married, that I did not want to get pregnant again. Having another abortion was simply out of the question. I think I realized even then that I would end up

having to raise the child by myself, make a majority of the money, and resent every minute of it. I went to my local doctor and told him I wanted a tubal ligation. He granted that wish, and referred me to the proper doctor that specialized in that field. Harold went with me that day, and the doctor met him. This doctor also knew I was making a mistake, and authorized the tubal ligation, which was outside the normal rules.

8:9 I had made very simple plans at our old church in South Bend to get married. Once again, I did what I wanted to do against the better judgment of my family, and I did not have their approval or blessing on this union. My family forced themselves to attend the wedding and were very gracious. My father and mother already had Harold pegged as a "hurt little boy, lazy, and looking for a meal ticket!!!" I got high before the wedding, which lessened the stress and intensity of the day.

8:10 Most people have an incredible, sensual honeymoon.....after all, that is the time that things are getting started and times should be very happy and exciting. These are the memories that I have of my honeymoon. We had rented a room that was one notch above Motel 6. We still did not get a mint !!! We both laid there, and looked at each other, and tried to conjure up some passionate feelings. Kissing him was like kissing a cold fish. There was no foreplay. If I could have had a stopwatch, I would have started counting one -one thousand, two -one thousand, and then yelled...."Are we done yet???" The entire experience was gross. Neither of us could even pretend that we were sexually attracted to each other!!!

8:11 You think that I knew that handwriting was on the wall, but at least I was smart enough to know that I did not want any children from this man. Harold had indicated that he did not like children. Two days after the wedding, I went and had my tubes, cut, burnt, and tied. To this day, I do not regret that decision.

CHAPTER 9 A PLASTIC MARRIAGE!!! ©

9:1 We were now going on four years of employment with Jim. God truly was blessing me in this business. I won paid vacations, sales contests, and was one of the top salespeople in the country. Corporate had termed the dealership as a "blossoming success," and everyone was happy.....so it seemed.

9:2 The truth was, I was absolutely miserable in my marriage. My new drug was money and success. I felt that I had so much to prove to my family, and myself. Money was the tool, and I became the classic workaholic. I drowned out reality with work. I would average three sales calls a day, and easily close two out of the three. I worked six days a week.

9:3 I had also gone back to weed, and was smoking a bag of pot every day. That is an average of about eight joints a day, and at the time a cost of \$20.00. So much of the job was socializing, and simply listening and talking to people. The customers already knew they wanted my product. All I had to do was go into their homes, be funny, bubbly, and nice, and I would get the sale. Getting stoned made the job one big party!!! It also kept me in my own happy bubble, and I didn't have to deal with reality.

9:4 I would usually spend up to two hours with my customers. Many of them would open up to me as if they had known me all their lives. I started putting people on prayer lists, and enlisting massive intercession for all that I would meet. I would then at that time hand write the prayer requests, make copies, and send them out to 12 different ministries monthly.

9:5 This is when God was teaching me about intercession. In simple terms, the more people you get praying about the same thing, the more

results you will see. The more people that tell the devil and his demonic hordes where to go.....back to the pit of hell.....the better the results!!!*

**9:6 *"I tell you the truth, whatever you bind on earth will be bound in heaven, and whatever you loose on earth will be bound in heaven, and whatever you loose on earth will be loosed in heaven. Again, I tell you that if two of you on earth agree about anything you ask for, it will be done for you by my Father in heaven. For where two or three come together in my name, there am I with them. Matthew 18:18-20 "How should one chase a thousand and two put ten thousand to flight, except their ROCK had sold them, and the Lord had shut them up?" (What are we chasing.....the wind? No, demons!!!)
Deuteronomy 32:30**

"And when he had taken it there, the four living creatures and the twenty-four elders fell down before the Lamb. Each one had a harp and they were holding golden bowls of incense, which are the prayers of the saints. And they sang a new song: "You are worthy to take the scroll and to open its seals because you were slain, and with your blood you purchased men for God from every tribe and language and people and nation. You have made them to be a kingdom and priests to serve our God, and they will reign on the earth." Revelation 5: 8-10

9:7 Harold's work routine was he might run one sales call a day, if that. He would try to get in and get out of the homes as quickly as possible. He had much more important things to do back home. For example, he would read about five books at one time. He worked crossword puzzles, and stayed glued to the television with everything from sports to Leave it to Beaver. I quit even trying to tell him about my day when I would "fly" home at about 10 pm from my last sales call. The man never even suspected that I was high on pot, he was clueless. I wanted to tell him about my day and my sales, and he would sit there with the remote control and tune me out. He lived in his own little world, and so did I. Any respect that I once had for him, was down the tubes.

9:8 It was a classic case of two dysfunctional people enabling each other. He made very little money, and had no incentive to work hard, because I was the bread winner. I enjoyed at that time being a power tripper, and provided a very good lifestyle for both of us. I wore the pants in the family, and he went along for the ride. I realize in hindsight, that my home life was miserable, and I would find much joy and satisfaction in visiting and making friends with my customers. I did not enjoy going home to Harold sitting on his rear end in front of the television.

9:9 The irony of all this, is that everyone around us knew what was going on, except us. I was often referred to as his daughter when we were at restaurants. When people realized we were married, they would roll their eyes!!! One person looked at me, and pointed and said, "You and him???" I just looked at her in despair and felt like saying, "yes, but I was on a lot of drugs!!!"

9:10 By this time, we had found a church very close to the office and started attending regularly. It was the only time that I ever felt close to Harold was when we were in church. I loved our pastor. He was a fireball from the South, and he sounded like Gomer Pyle. His name was Joseph. When he was operating under the power of the Holy Spirit, his personality changed. He preached the word in power and in might. He saw through our bizarre relationship, but didn't know how to fix it. We were also the biggest givers in the church. Harold had become the accountant, which was a job that he excelled in. He was a great book keeper, and everyone trusted him including me.

CHAPTER 10 The BIG A!!! ©

10:1 The nicest way I can say it, is that Jim the owner, wished that he had never hired Harold. The problem was , we came as a package. Sales were plummeting in Harold's territory, and Jim was becoming very frustrated. I could no longer make excuses for my husbands lack of work ethic.*

10:2 **"The sluggards craving will be the death of him, because his hands refuse to work."* Proverbs 21:25

10:3 In hindsight, I now realize that the enemy was setting me up for the perfect excuse to have an affair. When two people have sex outside of their marriage, it is called adultery. I termed it the "Big A. "It all started on my birthday when Jim kissed me. We were alone in the office, and you might say, that is all she wrote!!! I was already in love with this man, and the kissing and physical contact is all it took.

10:4 We had already developed a great relationship, we were both making great money, and we looked like a couple. It was right around the time that we started sleeping together, that my mother decided to make a visit. It was the first time that she had done this. She had no problems expressing to me that she did not care for Harold. I took her over to the office to meet Jim , and the other people. Her comment to me, after meeting him, was, "Well, that's what you need!!!" She had no idea that she was actually fueling my fire!!!

10:5 Shortly after the affair had started, I bought a home very close to the office. It was in my name alone and Harold was not on the deed. This was mainly because of his credit, and the fact that he did not care whether we had a home or not. As always, it was all my initiative.

10.6 The house was a very unique Victorian home built in 1889, with a carriage house in the back yard. I had been praying for the house, and God answered my prayers!!! I started to do the remodeling of it myself,

but ended up hiring another person that I met in my job to do all the hard work. It was impossible to work all day, and try to rehab the home. Both houses were structurally sound, but desperately needed cosmetic work.

10:7 I picked out all the colors, wallpaper, and designs, and Rose and her friend spent almost two years doing both inside and outside rehab work. I also had an awesome artist friend of mine paint a sign in the shape of an open book, that said, "Jesus Answers Prayer!!!" that perfectly fit between the pillars of my front porch.

10:8 I had become an expert in refinancing the home to pull out cash, and turn around and put it back into the property and pay for the labor. I also was renting out the back house, which paid for a portion of the mortgage. I had become very set on having the most unique home in the town. I was competing with my neighbor who had spent hours on his Victorian. The spirit of pride was rising up in me big time. I was now part of the American epidemic of "keeping up with the Joneses."...and trying to outdo them!!! I was also guilty of using the home as an ATM machine.

10:9 As usual, Harold did not care what I did in the house, and would criticize me, and lend no helping hand to the project. We had separate checking accounts, and I paid all the bills. He lived upstairs and I lived downstairs. We were two prisoners in the same home. I also realized later that I was desperate to create a home, because our marriage was a plastic joke. I was acting out what I had longed for with material things, thinking that they were going to make me happy. The home was charming, but if the walls could talk, they would tell an entirely different story!!!

10:10 I will give Harold credit for a few things. He was an awesome and honest book keeper. He also taught me the principle of the tithe. *That simply means that God get the first tenth of your income. I personally tithe on the gross. I started this practice as soon as I

started working in the South Bend dealership. I attribute my financial success to tithing and giving God first fruits. It is the only place in the bible that the Lord says test me, prove me!!!

10:11 *"But you ask , 'What do you mean? When did we ever cheat you? You have cheated me of the tithes and offerings due to me. You are under a curse, for your whole nation has been cheating me. Bring all the tithes into the storehouse so there will be enough food in my Temple. If you do,' says the Lord Almighty, 'I will open the windows of heaven for you. I will pour out a blessing so great you won't have enough room to take it in! Try it! Let me prove it to you! Your crops will be abundant, for I will guard them from insects and disease. Your grapes will not shrivel before they are ripe,' says the Lord Almighty. 'Then all nations will call you blessed, for your land will be such a delight,' says the Lord Almighty." Malachi 3:9-12

10:12 I thought about leaving Harold many times, and suggest he return home to his parents apartment. I did not want to rip up Jim's marriage. I had met his wife and children, and I simply could not do that. I rationalized that what I was doing was all right, because after all, I was taking care of Harold. Jim was taking care of his wife and kids. Nobody was getting hurt, and I was actually stupid enough to think that Harold cared for me.

10:13 My other reasoning for not getting honest about how miserable I was feeling, was that I was afraid that God was going to punish me for leaving Harold. The reason being was that Harold was the one that asked me to church. This is what I now call "religious bondage." My thinking was so screwed up, that I was trapped in a loveless, sexless, dead relationship that I had no business being in. Jim fulfilled me in many ways. He was twelve years older than I. He had become my best friend, my lover, my father, my boss, and my soul mate. What we had going on was hot, exciting, and fun.....for a season!!!

CHAPTER 11 "DON'T FORGET HELL" ©

11:1 Living a double life is truly a hard job!!! It would be easier to go one way or the other. Trying to live for Jesus, and serving satan at the same time is quite a difficult task. The bible refers to that as being double minded, and says, "that a double minded person is unstable in all their ways."*

11:2 **"If any of you lacks wisdom, he should ask God, who gives generously to all without finding fault, and it will be given to him. But when he asks, he must believe and not doubt, because he who doubts is like a wave of the sea, blown and tossed by the wind. That man should not think he will receive anything from the Lord; he is a double-minded man, unstable in all he does." James 1:5-8*

11:3 Jesus terms it in other ways. He says, that I would have you either be hot or cold. For if you are lukewarm, I will spew or vomit you out of my mouth. That is what I love about God, He does not beat around the bush....He says it like it is!!! You can take or you can leave it, but He usually has no problem making His point!!!*

11:4 **"I know your deeds, that you are neither cold nor hot. I wish you were either one or the other! So because you are lukewarm----- neither hot nor cold-I am about to spit you out of my mouth. You say, 'I am rich; I have acquired wealth and do not need a thing.' But you do not realize that you are wretched, pitiful, poor, blind and naked." Revelation 3:15-17*

11:5 I will say that demons were very active in the orchestration of what was going on. I take all responsibility for my actions, because I knew I was not doing the right thing. There is actually a spirit of adultery, that tells you that there is nothing wrong with what you are doing, as long as you don't hurt anybody else!!!

11:6 The spirits of addiction, lust, perversion, escape, rationalization, deception, pride, arrogance, spiritual pride, control, manipulation, insomnia, and many others were hanging out on my

doorstep, having one big party. Under my large, "Jesus Answers Prayer!!! sign, on my front porch, they were all passing a big joint, laughing, and saying....."will you look at what this "Christian" is into. We have truly got her exactly where we want her. She thinks that because God pulled her out of HELL before, that she has a special deal with Him. Little does she know what is going to happen.....we have her so trapped her Jesus will never get her out of this bondage!!!"

11:7 In the spiritual realm, this is exactly what was going on. I personally believe that what takes place in the invisible realm is MORE ACTIVE THAN THE PHYSICAL. In other words, there is more going on with what we can't see, than what we can see, touch, feel, and taste. This insane lifestyle went on for many years. I am going to church, praying for customers in and out of their homes, and speaking to God in an unknown tongue much of the time when I was alone. My biggest prayer place was the car. It was nothing for me to be driving down country roads, smoking a joint, and praying in the Holy Ghost. The only thing that saved me, was that God did know my heart. He knew I was miserable in this marriage, He knew I was in love with Jim, and He knew that I wanted out of all it, but did not know how to get free.*

11:8 *"In the same way, the Spirit helps us in our weakness. We do not know what we ought to pray for, but the Spirit Himself intercedes for us who searches our heart knows the mind of the Spirit, because the Spirit intercedes for the saints in accordance with God's will." Romans 8:26*

11:9 I would pray in the spirit while I was running daily, driving, cleaning, or doing whatever. I never prayed on my knees. When anyone prays in the Holy Ghost, or tongues, it is like an 800 number to God. You have no idea what you are saying, but the Lord is praying through you. The cool thing about this, is that satan and all his demonic army can NOT understand what you are saying. Only God knows what you

are saying, and it is coming straight from His spirit to yours. Your intellect is not involved.

11:10 It was sometime early in 1997, and business was streaming in. I had become a big giver, to our local church, and to the ministries that I had praying for myself and others. One of the ministries was the 700 Club. I was at a certain level, and I felt impressed to go to a higher level of monthly giving. The exact week that I pledged to do that, my sales volume in commissions that week tripled. That simply does not happen by accident. I knew this was a "God thing!!!" I remember calling the ministry and telling them what happened, and simply said, "if you ever want to use this as a financial testimony you can, because this just does not happen!!!" They already had my information and the lady prayed for me, and thanked me for giving that testimonial.11:11 It was also around this time that the Lord said to me very sternly one day in the car, "DON'T FORGET HELL!!!" I tried to blow Him off, but I knew exactly what He was saying. He was dealing with my double life, and letting me know that He saw everything, and that I was not excluded from going to hell, just because He had already pulled me out once. *

11:12 *"Dear friends, if we deliberately continue sinning after we have received a full knowledge of the truth, there is no other sacrifice that will cover these sins. There will be nothing to look forward to but the terrible expectation of God's judgment and the raging fire that will consume his enemies." Hebrews 10: 26-27

11:13 He also said to me that day, harshly, 'I AM NOT RESPONSIBLE FOR TAKING CARE OF A BASTARD!!!' Now I am sure that many religious demons will have a hard time with that, however that is exactly what He said to me. It makes perfect sense, considering what I was into. The definition of a bastard varies. As a noun it means, an illegitimate child. In slang terms it means, a vicious, or thoroughly

disliked person. As an adverb, it means something not genuine, false, or having the appearance of, or resembling in some degree.

11:14 What the Lord was saying to me at that time was that I was claiming to be His child, and I was certainly not acting like He was my father. However, I still expected Him to bless me, take care of me, and answer all my prayers. He was also saying that I appeared to be something genuine, I resembled in some degree, being His child, but in the spirit realm, nothing could have been farther from the truth.

11:15 A few weeks later, a person from the 700 club called our home, and I answered. It was uncanny that I was even home, because usually I was out and about working....and playing. She simply said, "I understand you have a testimony." I said, "you mean the one about going to hell???" There was a pause in her voice, and she said, "Ah no, but tell me about it." It took over an hour, but I poured out to her everything that had happened back in college. She was pretty freaked out, but discerned that I was telling the truth, and this really did happen. Her words to me, were that she or someone else would be getting back to me later, but she did not know when. She gave me her name and phone numbers where she could be reached.

11:16 Several months went by, and one day while driving to an appointment, the Lord began to say, "Call Jamie, Call Jamie, Call Jamie." The only Jamie I knew was the woman from the 700 Club. This was on Friday. The following Monday I called her number and left a message similar to this: "Jamie, this is Michelle, who went to hell, back in Michigan. I do not know why I am calling you, but I feel that is what I am to do." I left my number with her, feeling rather stupid that I had made the phone call.

11:17 The next day, she called back, and Harold took the message. I was to call

Jamie at the 700 Club. When I got home from work, I returned the call. Jamie said, "You are not going to believe this. We were praying a few days ago about what shows we would be doing in the near future. Heaven and hell is what the Lord was giving us. I thought of you, but I could not find your name and phone number, because I had placed it under "financial testimonies." All I could remember was your name Michelle and you lived in Michigan. I prayed and asked the Lord if there was any way to get a hold of you, that He make a way."

11:18 We both knew this was God. Only He could have made that connection. A few weeks later, I was scheduled to have them come to the house and do the interview. The night before they came, I came clean with Harold, and told him that I had been getting high and having an affair with Jim our boss. He claimed he had no idea!!!

11:19 I am still not quite sure why I did that, but I feel that I knew I had to come clean for God to really use this testimony in a big way. I did not sleep that night, and did the taping the following day. The Lord really used that testimony to reach many people. I was told later on that it received one of the highest call ins for salvation after it aired. The entire segment contained a woman who had gone to heaven, and biblical scholars who explained heaven and hell. It also featured, Maurice Rawlings, who was an atheist doctor, until he witnessed one of his patients dying, going to hell on the operating table, and coming back to life and telling about it. It also contained my hell testimony, in which, I wept most of the time, because I could not tell it without crying.....because I had to relive it.

11:20 I had tried very hard to suppress this memory, because it was so horrible. I did not want to think about it, and when I did talk about it, other people, especially Harold, thought I was crazy. As he

witnessed the chain of events, he knew there was no way that the orchestration of that interview could have been anything but God wanting that story out. The easiest thing for me to do, would have been to keep my big mouth shut, and pretend that it never happened. However, God pulled me out of hell, so that I could warn other people. I believe that is the only reason.....because I deserved to go there!!!

CHAPTER 12 ALL HELL BROKE LOOSE!!! ©

12:1 I have realized that if you are a threat to the kingdom of darkness, satan will bring an onslaught of his forces to try to stop you. This is why it is so important that we walk clean, and do not play games. It is also important that people have a wall and hedge of protection of massive prayer surrounding them at all times. If not, it is like going into battle naked. You have nothing on, and you have no weapons. You become an easy target for the enemy.*

12:2 *"For we wrestle not against flesh and blood, but against principalities against powers, against the rulers of darkness of this world, against spiritual wickedness in high (heavenly) places." Ephesians 6:12

12:3 As I stated in the introduction, I believe that some of the attack I had, was brought on by my actions, which was actually delayed judgment of God. He had to unravel the mess I was in. Some of it was simply the enemy attempting to kill and silence me. I haven't even mentioned the car accidents that I have been in, because I am saving an entire chapter for that!!!

12:4 The events that unfolded after the 700 club interview airing should have taken me out.....but they did not. This is what happened. The interview was aired. It was seen by millions of viewers worldwide. My pastor, Joseph was in awe of how God worded my mouth, and how profound it was. He acknowledged it from the pulpit, and expressed how proud of me he was.

12:5 The following week, a woman who I tried to avoid like the plague, Delilah, came up to me and asked the following question, at an early morning prayer meeting. She said, "Michelle, I want to know how come you are always up for prayer at every service???" I looked her straight in the eyes, and said, "I am having an affair with my boss, and I don't know how to get out of it!!!" She was amazed at my candor, and walked away. Within three days, the entire church had heard that I was having an affair. Delilah, thought it was her "religious" duty to spread that hot gossip all over.*

12:6 *"The words of a gossip are like choice morsels; they go down to a man's inmost parts."* Proverbs 18:8

12:7 When it had gotten back to me, that this news was out, I cried out to the Lord. I spent hours sobbing over the fact that a powerful story had just been told to the world....and in my own hometown, I'm a modern day version of the woman caught in adultery. The only difference is instead of everyone wanting to stone me, I was already getting stoned!!! Get it?*

12:8 *"But Jesus went to the Mount of Olives. Early in the morning (at dawn), He came back into the temple (court), and the people came to Him in crowds. He sat down and was teaching them. When the scribes and Pharisees brought a woman who had been caught in adultery. They made her stand in the middle of the court and put the case before Him. Teacher, they said, This woman has been caught in the very act of adultery. Now*

Moses in the Law commanded us that such (woman offenders) shall be STONED to death. But what do You say (to do with her----what is Your sentence)? This they said to try (test) Him, hoping they might find a charge on which to accuse Him. But Jesus stooped down and wrote on the ground with His finger. However, when they persisted with their question, He raised Himself up and said, 'Let him who is without sin among you be the first to throw a stone at her.' Then He bent down and went on writing on the ground with His finger. They listened to Him, and then they began going out, conscience-stricken, one by one, from the oldest down to the last one of them, till Jesus was left alone, with the woman standing there before Him in the center of the court. When Jesus raised Himself up, He said

to her, 'Woman, where are your accusers? Has no man condemned you?' She answered , 'No one, Lord!' And Jesus said, 'I do not condemn you either. Go on your way and from now on sin no more.' Once more Jesus addressed the crowd. He said, 'I am the Light of the world. He who follows Me will not be walking in the dark, but will have the Light which is Life.' John 8:1-12 12:9 The Lord said to me, "YOU HAVE TO COME CLEAN.....YOU HAVE NO OTHER CHOICE."*

12:10 **He who conceals his sins does not prosper, but whoever confesses and renounces them finds mercy.*" Proverbs 28:13

12:11 I discussed it briefly with Harold, and he wanted me to keep my mouth shut. I told him, that I had to do, what I had to do. That Sunday, after praise and worship, I asked the pastor, if I could say something. He allowed me the freedom to come to the front of the church, which was a congregation of about one hundred people. I opened up my mouth, and I said, "I need to ask your forgiveness, because I have been living a double life. I have been getting high on weed, and I have been having an affair. I am telling you this, because after the TV interview , it is vital that I come clean for God to continue to work in my life. "I then began sobbing.

12:12 Needless to say, the pastor had to put his sermon off!!! Joseph was in awe. He did not know what to say, because he knew I was having the affair, but didn't know how to stop it. I was also the top giver in the church. As I stood in front of my accusers, he spoke on my behalf. One by one, each person in the congregation came up to me, and thanked me for getting real, and said they forgave me. Delilah, was the first one!!! Some of them were sincere, and some of them were as phony as a three dollar bill. I had no problem discerning the sheep from the goats!!!

12:13 Considering the fact that the hometown I lived in, was small, simple, and full of gossips, that event also got all over the county. After all, it is hot gossip to say that the ___Lady, is doing the ___Man!!! It was even hotter gossip to say, that the lady with the big, green Victorian house, with the "Jesus Answers Prayer!!! sign on her front

porch.....is an adulteress. To make matters worse, exactly one week from my confession, Joseph our pastor, resigned from the church. I was crushed, and I took all the blame for him leaving. I loved my pastor, and now he was jumping ship in my greatest time of need!!!

CHAPTER 13 YOU CAN'T CON AN EX-CON ©

13:1 I can't even begin to express the amount of shame, self hate, guilt condemnation, hurt, and grief that I was carrying around on my shoulders. All of these are demonic entities, and this group of demons were having more than a party....they were having a hay day!!! I felt like running away, but there was no place I could hide. When I walked into restaurants, the women around the tables would point, and start gossiping about me. It was not drug induced paranoia, it was for real, and I was not imaging it. Suicide was never an option, because I feared going to hell again!!!

13:2 Harold was taking advantage of the situation as well, and begged me to let him quit his job. He could not stand dealing with Jim, and it was a great excuse to sit home even more and do nothing constructive. He acted like he was hurt, but the truth was, it was a great out for him. Now he could use the "you have done me dirty, trump card" as his excuse. Our church sent another pastor, an older gracious gentleman. I was very upfront with him about what had happened, and I did not hide anything from him. Harold was still the church accountant, which was an unpaid position. The pastor stayed a brief period of time, and left because of health problems, and wanting to retire. He and his wife were very sweet, but were not cut out to fight the demonic realm that dominated the region. Once again, the upper echelon of this denomination, sent another pastor. For three months, everyone, including Harold and I, liked the man. He seemed to be on fire, charismatic, and prophetic. His name was Lance.

13:3 Our church had a great credit rating in the community, and we were in the process of remodeling the parsonage for the pastor. Harold came to me one day, and said, "I think the pastor is embezzling money. There is money gone that I can't account for." I said, "I was having the same gut feeling, but didn't want to say anything to you yet." Our

suspicion was confirmed, when the pastor came over to our house one evening with his daughters boyfriend. He had a check that he wanted Harold to sign, and he claimed that it was going towards one of the charge cards held by the church. He told us that he was going to take the check and pay off the account in full. However, he wanted Harold to make the check out to him personally. Harold did so against his better judgment, and Lance, walked joyfully out of our home with the other guy.

13:4 For the first time in our miserable, plastic, marriage, Harold and I agreed on something whole heartily. This guy was a crook!!! He was a professional con man that could not look me in the eyes. The only reason he brought the boyfriend of his daughter, was to divert attention off of what he was asking us to do. I remember saying to Harold after he left, "does he think we just fell off the turnip truck or what???" Harold laughed and said, "really!!!"

13:5 I don't believe in coincidence. I believe in fate, but I do not believe that anything happens by chance. It just so happens to be that the credit card company that the pastor claimed to have paid off, was the exact financing company that I used in the water business. I'll leave names out!!! I was very familiar with this company, and its procedures, and I used it daily to get the water purification equipment financed. Without telling my husband, I took his master key to the church, and I went into the pastors office. I opened up his front drawer, and found a bank statement with Lances and his wife's information. The bank statements included both his wife's and his social security numbers. I quickly wrote them down, with their full names, and put the statement back in his drawer. I then booked out of the office!!! It was my version of WATERGATE!!! Get it??? I already had his date of birth and full name, because he had recently had a birthday.

13:6 Several weeks later, I called up the finance company to inquire about the church charge account in question, that had "allegedly" been paid off by the pastor. I said, that I was Lance's wife, and I was simply calling to confirm that they had received the check in full. I gave the social security numbers and dates of birth, for the companies security purposes. The woman taking the call, pulled up the account, and told me that the account had not been paid off, and there was still a remaining balance of over \$4000. 00.

13:7 There is a saying....."YOU CAN'T CON AN EX-CON!!!" I took the proof to Harold, and told him what I had done. At first he was mad, but then realized it had to be done to prove that this guy was crooked. We wanted to do things in the proper manner. We had called in one of our friends, to be our witness. He had seen the proof, and also believed that Lance was a thief. We asked Lance and his wife over to our home, and we confronted him with the evidence. He did not come clean, he went ballistic, and called me every name in the book. I remember as he was leaving our home, I said to him, "Lance, I pity you for stealing God's money!!!"*

13:8 *"A malicious man disguises himself with his lips, but in his heart he harbors deceit." Proverbs 26:24

13:9 We then took it to the next level. We called the overseer. He was brought in on the deal. We told him our part of the story, and gave him the proof. The overseer was told by the upper echelon of this denomination, to cover it up, and make it look like we simply wanted to get rid of Lance. By this time, word had traveled, amongst the congregation, of what I had done in the office, and that Lance was being accused of theft.*

13:10 *"Now the Spirit speaks expressly that in the latter times some should depart from the faith, giving heed to seducing spirits and doctrine of devils." 1 Timothy 4:1

13:11 The overseer came in on an evening service, and made it appear that Lance had done nothing wrong, and Harold and I were simply bad

people that were trying to get rid of him!!! The pastor instructed Harold to give the overseer a check for \$500 for his "intervention" that evening. That night, I stormed out of the church, and Harold resigned his position as accountant. A few other people that knew the truth left as well. The people had been warned, the problem is they didn't listen to or care for the ones giving the message!!!*

13:12 *"A false witness will not go unpunished, and he who pours out lies will not go free." Proverbs 19: 5

CHAPTER 14 "YOU HAVE BEEN DEALING WITH THE SPIRIT OF RELIGION" ©

14:1 "Woe to you, scribes and Pharisees, pretenders (hypocrites)! For you travel over sea and land to make a single proselyte, and when he becomes one (a proselyte), you make him doubly as much a child of hell (Gehenna) as you are."
Matthew 23:15

14:2 I don't think that I had ever gotten so angry over anything in my life, as I did over this situation. The way that I dealt with my emotions is that I started to hate people, especially "religious" people. The way that Harold dealt with what happened, is that he went into a pit of depression like I had never seen. He was already depressed, but the one thing that he did very well, had been distorted, and perverted. * When we left, the books of that church were a mess. Previous to Lance coming, Harold could account for every penny that had come into the church. People knew he was a nerd, but he was an honest nerd, when it came down to God's money.

14:3 *"A cheerful heart is good medicine, but a crushed spirit dries up the bones." Proverbs 17:22

14:4 I began saying things out of my mouth that were now bringing curses upon myself. I wanted to blow up the church, but I knew that I would get busted!!! As people commonly do, they blame GOD for what SATAN is actually doing. I fell into this trap as well. I could not understand, how God could allow a pastor to come into a congregation, and rip it off!!!*

14:5 *"Death and life are in the power of the tongue, and they who indulge in it shall eat the fruit of it (for death or life.) Proverbs 18:21

14:6 One day, while running, the Lord said this to me, "YOU HAVE BEEN DEALING WITH THE SPIRIT OF RELIGION!!!" He then gave me

a vision of the building of this particular denomination. He showed me a tall steeple like edifice.....and on top of the building was a BIG, UGLY , BLACK SPIDER with its creepy legs dangling down. He said, "THIS IS THE STRONGHOLD OVER THIS CHURCH, AND THAT IS WHAT YOU HAVE BEEN DEALING WITH." The cool thing about God, is if you ask him questions, or are simply honest with Him, He will answer you in very creative ways.

He speaks to me in dreams, visions, things "jumping out" at me, through other people, through nature, and His word. He is a very responsive God!!!*

14:7 *"*Call to me and I will answer you and tell you great and unsearchable things you do not know.*" Jeremiah 33:3

14:8 I was also really upset when we received our tithing report from Lance that indicated that we had given much less money than we did. One thing that I always had done, was write a check for the tithe, for that exact reason, that we had a copy. I knew if I turned him into the IRS, it would most likely hit the newspapers, and it would bring harm to the body of Christ. It would be one more nail in the coffin of perverted, warped things that had happened in the name of "religion." I chose not to do that. The Lord spoke to me and said sternly, "VENGEANCE IS MINE. I WILL REPAY, IT IS NOT YOUR JOB. WHAT I WANT YOU TO DO , IS BLOW THIS PLACE (this denomination) UP IN THE SPIRIT THROUGH PRAYER!!!"*

14:9 *"*Dear friends, never avenge yourselves. Leave that to God. For it is written, 'I will take vengeance; I will repay those who deserve it,' says the Lord.*" Romans 12: 19-20

14:10 I knew what He was talking about, because I was very into writing out prayer requests and getting thousands of other people on the same page, to pray with me. I can't say that I liked what God said, but He said it so strongly that I knew I would not win, trying to do any

harm to this pastor. It would be God Himself that would take care of him. I had also called the church in which Lance had recently come from. It came out, that he had embezzled this church as well, and his father , who was in the upper echelon, simply moved him around. His nickname among other pastors, was "Popcorn", because he popped all over the country, especially small, rural congregations that were an easy, simple target. Approximately four months after we left the church, Harold was diagnosed with pancreatic cancer. He knew something was wrong, because his urine had turned dark orange. When Lance got wind that Harold had been diagnosed with cancer, he told the congregation that it was because Harold had come against him, and God was judging Harold.

CHAPTER 15 "IT CAME FROM A ROOT OF BITTERNESS!!!!" ©

15:1 During this whole ordeal, Harold and I had not been going to any church. Only a few people, were reaching out to us. I was working, trying to paste a fake smile on my face, when dealing with customers. However, I have never been a good phony, and I could not hide how angry, unhappy, and disgusted I was. No amount of pot could bring me any peace, but I was still trying to medicate my feelings with weed.

15:2 Harold was for the first time in his life, dealing with the fact that he was going to die, unless a miracle occurred. We were referred to a specialist at the University of Chicago, that dealt primarily with pancreatic cancer. He was very candid, direct, and to the point, which is what I can relate with. He said, that Harold had no more than 12 -14 months to live. He told us after tests, that it had spread into the lymph nodes. The only treatment was an operation , called the Wiple , and chemotherapy. Other than that, he told Harold to prepare to die.

15:3 As many people did, the doctor pulled me aside, and asked what I was doing with this older man. I told him that we were unhappily married, and I was having an affair. I was very angry that I now had to deal with his sickness. He could see it all over my face, and knew it was a screwed up deal. It is amazing how honest you can get with yourself, when faced with harsh reality. I remember one day, as I was sitting down writing out prayer requests, I asked God, "why did Harold get this cancer???" As the Lord usually does for His children who pray and talk to Him regularly, He answered quickly , and said, "IT CAME FROM A ROOT OF BITTERNESS!!!!"*

15:4 *"Exercise foresight and be on the watch to look (after one another), to see that no one falls back from and fails to secure

God's grace (His unmerited favor and spiritual blessing), in order that no root of resentment (rancor, bitterness, or hatred) shoots forth and causes trouble and bitter torment, and the many become contaminated and defiled by it." Hebrews 12:15

15:5 That answer made perfect sense, because Harold always was bitter. I believe that the church incident was the straw that broke the camels back. My confession of the affair didn't help matters either. Harold was a "stuffer," and he had stuffed his emotions and bottled things up his entire life. He never dealt with his feelings, because he did not know how to. His parents were the same way. I believe bitterness is a spirit, it hangs around sarcasm, criticism, envy, jealousy, strife, resentment, grief, hurt, pouting, and a few other cousin demons. I also believe that cancer is a spirit, and it hangs around the demons of infirmity, death, depression, gloom, doom, hate, unforgiveness, and few others. I know that the medical world will say that I am still on drugs by that claim, but I do know it is a spiritual thing. I believe that when you open yourself up with hate and unforgiveness towards other people, you open yourself up to Pandora's box of demons.*

15:6 *"Therefore is the kingdom of heaven likened unto a certain king, who would make a reckoning with his servants. And when he had begun to reckon, one was brought unto him, that owed him, that owed him ten thousand talents. But forasmuch as he had not wherewith to pay, his lord commanded him to be sold, and his wife, and children, and all that he had, and payment to be made. The servant therefore fell down and worshipped him, saying, Lord, have patience with me, and I will pay thee all. And the lord of that servant, being moved with compassion, released him, and forgave him the debt. But that servant went out, and found one of his fellow-servants, who owed him a hundred shillings: and he laid hold on him, and took him by the throat, saying, 'Pay what thou owest.' So his fellow-servant fell down and besought him, saying, 'Have patience with me, and I will pay thee.' And he would not: but went and cast him into prison, till he should pay that which was due. So when his fellow-servants saw what

*was done, they were exceeding sorry, and came and told unto their lord all that was done. Then his lord called him unto him, and saith to him, 'Thou wicked servant, I forgave thee all that debt, because thou besoughtest me: shouldst not thou also have had mercy on thy fellow-servant, even as I had mercy on thee?' And his lord was wroth, and delivered him to the **TORMENTORS**, till he should pay all that was due. So shall also my heavenly Father do unto you, if ye forgive not every one his brother from his hearts.'" Matthew 18:23-35*

WHO ARE THE TORMENTORS??? DEMONS IN HELL!!!

15:7 In simple terms, Jesus died on the cross, went to Hades for three days, so that you would not have to. God made Jesus your scapegoat for your sin, and it is through the shed blood of Christ that we are forgiven of our sins. If God can forgive us.....WHO ARE WE TO NOT FORGIVE OTHERS???*

*15:8 *"For if you forgive people their trespasses (their reckless and willful sins, leaving them, letting them go, and giving up resentment), your heavenly Father will also forgive you. But if you do not forgive others their trespasses (their reckless and willful sins, leaving them, letting them go, and giving up resentment), neither will your Father forgive you your trespasses." Matthew 6:14-15*

15:9 The lesson that the Lord has taught me, and it is a daily process, is that we have to separate the demons from the people. There are demons operating in people that you know AND IN YOURSELF. You may not be aware that it is actually a spirit operating through the person, but I am here to tell you that it happens every day. The Lord said to me, "YOU CAN HATE THE DEMONS, BUT YOU CAN'T HATE THE PEOPLE. YOU MUST PRAY FOR THEM AND ASK FOR THEIR SALVATION AND DELIVERANCE." In other words, if you are a follower of Christ, you have the authority in the name of Jesus, to tell the demons in the people to come out and return back to the pit of hell.*

*15:10 *"And these signs shall follow them that believe; In my name shall they cast out devils." Mark 16:17*

15:11 The bottom line is that if we do not forgive other people, we are in trouble with God, and we bring on many demons because of it. It is like dog poop attracting flies. In fact, one of the names for satan is Beelzebub or "the Lord of flies." How very appropriate a name!!! Satan and his demons are like flies, and they come around messes, and they try to stir up trouble.

CHAPTER 16 WHAT A SOAP OPERA!!! ©

16:1 It was impossible for me to try to pretend to be the loving little wife of Harold, now that he was sick. My demons were really coming out and manifesting everywhere. I recall having to deal with his mother, and explain to her, why I could not sit up in the hospital with her son. I had to make a living, and keep the bills paid, because I was the only one working. She could not understand that, and thought I was nothing but a cold blooded witch!!!

16:2 When it came time for surgery, I went to Chicago to drop Harold and his mother off, and told them that I would be back to get them. I called and would check in, but I could not stay. The doctor and his team did all that they could humanly do. I knew this. If Harold was going to get a miracle, it was going to have to be God.

16:3 He returned home, and had the report that they did what they could do, and he would have to follow it up with chemotherapy. I was beginning to see a little change in Harold. He was realizing that he was going to die, and he admitted that he had been a jerk most of his life. He had never admitted every being wrong before, which was a real big step.*

16:4 *"The lamp of the Lord searches the spirit of a man, it searches out his inmost being."

Proverbs 20:27

16:5 During the first round of chemotherapy that was being done locally, he was scheduled to stay in the hospital for about a week. Out of the blue, one day, the Lord says to me, "CALL BETH, CALL BETH, CALL BETH." I was puzzled at first, because I did not know a Beth. I then remembered, that Harold's second wife was named Beth. Approximately three months previous to Harold being diagnosed with

cancer, he told me one night , after I came in from work, that his second ex-wife Beth had called him. She had found our name and phone number on the internet. I said, "that's nice, what did she want???" He was very vague about the call, and I was not a bit jealous or upset. Frankly, I did not care!!!

16:6 So, I went upstairs to Harold's desk, and started going through a few of his papers. Lo and Behold, I found Beth's name and number written on a note tablet. I proceeded the following day to call up Beth. I told her who I was, and told her that Harold had pancreatic cancer. I also got very honest with her and let it all hang out, what a miserable marriage we had. I admitted that I had been living on drugs, having an affair, and I did not love him. In the middle of all my spewing, she stops me, and says, "I still love Harold!!!!" I was amazed and the sales person inside me, kicked in!!! I told her that she could have him back!!! She told me that she had called him to ask for his forgiveness for her leaving him when he had lost all his money. She felt very bad about it, and she still had feelings for him. I told her that I would talk to Harold and have him call her. We ended the conversation very peacefully, and we both acknowledged a love for God.

16:7 The following day, I bought Harold a large Steak and Shake hamburger and a big frosty milkshake, over to the hospital. I was eating Chinese food. I walked into his room, gave him the food, and told him that I had spoken to Beth the following day. He perked up, and asked me how I got her number. I told him that I found it in his desk. I then told him that she wanted his forgiveness for leaving him. He looked at me with this stupid glare, and said, "I don't have to forgive her.....she left me." I looked at him, and I said, "Oh , so I suppose that makes you bigger than God. Jesus forgives you, but you can't forgive her....what is wrong with this picture???" You are the one laying on your back dying of cancer. I think maybe you better think about this forgiveness thing again!!!"* I then said that I realized that I never loved him, and that this entire thing had been nothing but a

farce. He looked at me straight in the eyes, and told me that he had never loved me either.

16:8 *"Then Peter came up to Him and said, Lord, how many times may my brother sin against me and forgive him and let it go? (As many as) up to seven times? Jesus answered him, I tell you, not up to seven times, but seventy times seven!" Matthew 18:21-22*

16:9 Now we were getting somewhere!!! It took his sickness for us to get honest with each other, and take off our ugly, rubber masks that we had been wearing for many years.

"An honest answer is like a kiss on the lips." Proverbs 24:26

16:10 I left that day feeling like I had lost one hundred pounds. It also really hit me, that I had been playing this role of his wife, caretaker, and friend..... and he never loved me. I admit it was a harsh dose of reality that had been clouded in massive amounts of weed and deception!!! He called that night, and asked for Beth's phone number.

16:11 All I can say is that God does work in very bizarre ways!!! When he came home from his chemotherapy, he told me that he and Beth wanted to get back together, and that he had forgiven her. He admitted that he had never loved me, and had always been in love with her, but could not forgive her until now. I was jumping up and down in elation!!! I proposed to him that I would file for divorce, I would pay for it, and he could go a free man.*

16:12 *"And you will know the Truth, and the Truth will set you free." John 8:32*

16:13 I also had been trying to tap \$15,000 dollars of equity in our home. I had been turned down by several banks. The exact day that I had agreed to divorce Harold, a bank called me back, and told me that

they had approved the home equity loan. That was a miracle, and I knew it!!!

16:14 This is the deal I made with Harold. I told him that the joint credit cards that we had, which were two large lines of credit, I would pay off, and lump back into the house. He could leave with those cards, I would take my name off the accounts, and he could have the lines of credit. I gave him one of the cars, all of the furniture upstairs, and he could leave town a liberated man.....he owed me nothing.

16:15 Within two weeks of all this happening, a mutual friend of ours, loaded up a UHaul, with all of Harold belongings. The Honda was towed behind, and our friend dropped him off in Texas at Beth's home.

CHAPTER 17 THE MARRIAGE SUPPER OF THE LAMB ©

17:1 I am sure that many religious spirits will start manifesting, when people read that it was actually the Lord that orchestrated our divorce. In fact, I can hear the eruption in the spirit, as I am writing this. I am not giving anyone permission to go get a divorce.....my circumstances were unique.

17:2 The reason that God untangled our fake marriage, is that he wanted to unravel us. He wanted Harold to be saved, and forgiveness was a huge factor in all that. I would classify Harold, up until his sickness, as the classic religious stereotype in the parable of the Good Samaritan. If there was a bleeding injured person in the street, Harold would have walked by him looking pious, in his dated polyester suit and tie, holding his large bible, on his way to church!!! He would have let the guy bleed to death, and would not even consider calling 911!!!

17:3 Another way of putting this is if Harold had not gone through the cancer, and he had died suddenly in a car accident, I do not think he would have gone to heaven. I think he would have gone directly to hell. He would have stood before Christ on judgment day, and said, "But Lord, I kept perfect accounting records for you at church, I timed myself when I prayed to you on a stopwatch. I can quote scripture that I have memorized, I had perfect attendance in Sunday school as a child, and I never let anyone touch my Bible." The Lord would have responded to him...."DEPART FROM ME YOU WORKER OF INIQUITY.....I NEVER KNEW YOU!!!"*

17:4 **"Not everyone who says to Me, Lord, Lord, will enter the kingdom of heaven, but he who does the will of My father Who is in heaven. Many will say to Me on that day, Lord, Lord, have we not prophesied in Your name and driven out demons in Your name and done many mighty works in Your name? And then I will say to them openly (publicly), I never knew you;*

depart from Me, you who act wickedly (disregarding My commands). Matthew 7:21-23

17:5 The religious spirit is mean and heartless, and millions of people need to be delivered from this demon. *I am grateful to the Lord, that Harold had the opportunity to get things right in the last year of his life. I believe it was the mercy and grace of the Lord that gave him the time that he needed. That alone was the miracle that I had been praying for..... that was his healing. All the torture that I endured being married to him, would be worth it, if it kept him from going to hell.

17:6 * "He who does not love has not become acquainted with God (does not and never did know Him), for God is love. In this the love of God was mad manifest (displayed) where we are concerned: in that God sent His Son, the only begotten or unique (Son), into the world so that we might live through Him. In this is love: not that we loved God, but that He loved us and sent His Son to be the propitiation (the atoning sacrifice) for our sins.

Beloved, if God loved us (very much), we also ought to love one another. No man has at any time (yet) seen God. But if we love one another, God abides (lives and remains) in us and His love (that love which is essentially His) is brought to completion (to its full maturity, runs its full course, is perfected) in us!" 1 John 4:7-12

17:7 I spoke with Harold a few days before he passed away, and I knew that he had a heart transplant in his last days. All the knowledge that he had about God, was transplanted from the mind to his heart. It was no longer a "head thing".....it had become a "heart thing!!!" I recall after getting the message from Beth that he had passed, I sat up in our large bathroom, on the floor, and cried for two days. I took the screen out of the window, and smoked one joint after the other, out the window, and sobbed. I was crying about how angry I was that I had been trapped in this marriage for almost ten years with no love. I cried because I was mad at myself for being so stupid. I cried because I was angry that I had not gotten any insurance on Harold or the house, and

now I was stuck with many bills. I cried because I had been living an awful, painful lie. I also was blaming God for my actions and the schemes of the devil.

17:8 Several months later, I attended a funeral of a mutual friend of Harold and I. This man died of overeating. He literally ate himself to death. That is known as a spirit of gluttony. His name was Sam, and he was a "good ole boy", that many people in the community loved. As I was sitting in our old church, the Lord gave me a vision of Harold and Sam tipping glasses at the upcoming wedding supper of the Lamb. It was the first time that I had total peace that Harold was with the Lord, and he was truly happy for the first time in his life.*

17:9 **"Let us rejoice and shout for joy (exulting and triumphant)! Let us celebrate and ascribe to Him glory and honor, for the marriage of the Lamb (at last) has come, and His bride has prepared herself." Revelation 19:7*

CHAPTER 18 **KNOCKING DOWN ALL YOUR IDOLS!!!**

©

18:1 Idol:

1 a. an image used as an object of worship. 1 b. a false god.

2. One that is adored, often blindly or excessively.

3. Something visible but without substance.

**18:2 "Do not make idols or set up an image or a sacred stone for yourselves, and do not place a carved stone in your land to bow down before it. I am the LORD your God." Leviticus 26:1
"Dear children, keep yourselves from IDOLS." 1 John 5:21**

18:3 After Harold went to be with Lord, I remained in my job for another year. Jim my boss, figured that everything between he and I would be much more easy to accomplish now that Harold was out of the picture. However, the season of sin that was fun....had ended.*

18:4 *"*There is a way that seems right to a man, but in the end it leads to death.*" Proverbs 16:25 "*Like a bird that strays from its nest is a man who strays from his home.*" Proverbs 27:8

18:5 The Lord had instructed me to put the house on the market, and He wanted me to leave my job. He sent two other woman, who gave me the exact same words. "God wants you to sell your home, and find another job." That is what you call confirmation, but during that time, I still did not want to let go of my "stuff" or my career.

18:6 A few weeks after I had been told to sell the house, a woman walked up to my back door, and knocked on it early one morning. The house was not on the market yet, and there were no sign, or contracts written up. I answered the door, and she told me that she was an executive at a large corporation in the area, and that she wanted to buy my home. She had not even seen the inside. She had heard from a realtor friend of mine, that I was in trouble, and she was willing to pay

off what I owed on the house, and I could walk away debt free with my credit in tact.

18:7 In no uncertain terms, I nicely told her to go jump in the lake!!! Lake Michigan that is!!! Not the lake of fire....I have much more class than that!!! I told her that there was no way that I was going to walk away from this home without making at least \$10,000 in profit. She looked at my rather dumbfounded, and wished me well, and walked away. God had sent an angel to help me, and I turned her away!!!*

18:8 *"*Do not forget to entertain strangers, for by so doing some people have entertained angels without knowing it.*" Hebrews 13:2 18:9 Little did I know that the handwriting was

on the wall, when it came to the economy in Michigan. Things were already beginning to unravel and signs were in the sky. I was too arrogant, proud, and angry to hop in the rescue boat that God sent me, in the form of the woman buyer of the home.* By the time that I was obedient to put the home up for sale, nobody with any common sense would buy the money pit that I lived in. Perhaps it could had happened if the home was located in the country, but nobody wanted to be in town, and have a home that was very expensive to keep up.*

18:10 *"*Pride goes before destruction, a haughty spirit before a fall.*" Proverbs 16:18

18:11 I have learned that not only is God a genius....He also has a great sense of humor. His method of ensuring that the adultery between Jim and I ended, was to bring his very sweet daughter into the business. I had witnessed this little girl grow up into a lovely woman. She had four years of college, and decided that she did not want to pursue her degree, but instead she wanted to work for her father.

18:12 It was a different story than the yearly Christmas parties. I would get so stoned on those yearly events when I had to face his wife and children for a few hours. I hated alcohol, but would also drink on those occasions. I remember "flying" into the restaurants that we had reserved for our office parties, hoping

that nobody would realize how uncomfortable I was having to be around his family. Everyone in the office, knew what was going on, so it was awkward for all involved. However, now I had to face her, eye to eye, everyday. Not only that, the Lord himself, had turned off the faucet of blessings. It was no longer, that I would pray in all the business, and simply go and write up orders. The well had dried up for me in Michigan!!!*

18"13 *"*He who ignores discipline comes to poverty and shame, but whoever heeds correction is honored.*"

Proverbs 13: 18

18:14 In late Fall of 2001, I resigned my long term position of thirteen years with Jim. I recall meeting him for breakfast, and I told him that I needed to quit. I said that the guilt was eating me up having to face his daughter, and I could be shooting heroine, and it would not ease my conscience. I proceeded to tell him that I could never grow as a person standing in DIRTY, BITTER, STAGNANT water.* **18:15 *"*If she has defiled herself and been unfaithful to her husband, then when she is made to drink the water that brings a curse, it will go into her and cause bitter suffering; her abdomen will swell and her thigh waste away, and she will become accursed among her people.*" Numbers 5:27**

18:16 Having to leave Jim, was one of the hardest things that I have ever done. He is the only man that I can say that I truly loved. The soul ties, were so strong, that it was like someone had ripped my heart out, and nothing could ever replace him. The Lord during this entire process was giving me the analogy of Abraham, Sarah, Hagar, and Ishmael. Jim was Abraham, his wife was Sarah. I was Hagar, the maid servant that had become pregnant with Ishmael, and Sarah wanted me banished. I had created an Ishmael in the spiritual realm, and it was causing a war!!! It was time that I took my child, and headed for a new land, away from Abraham!!!*

18:17 *"*But Sarai, Abram's wife, had no children. So Sarai took her servant, an Egyptian woman named Hagar, and gave*"

her to Abraham so she could bear his children. 'The Lord has kept me from having any children,' Sarai said to Abram. 'Go and sleep with my servant. Perhaps I can have children through her.' And Abram agreed. So Sarai, Abram's wife, took Hagar the Egyptian servant and gave her to Abram as a wife. (This happened ten years after Abram first arrived in the land of

Canaan.) So Abram slept with Hagar, and she became pregnant. When Hagar knew she was pregnant, she began to treat her mistress Sarai with contempt. Then Sarai said to Abram, 'It's all your fault! Now this servant of mine is pregnant, and she despises me, though I myself gave her the privilege of sleeping with you. The Lord will make you pay for doing this to me!' Abram replied, 'Since she is your servant, you may deal with her as you see fit. So Sarai treated her harshly, and Hagar ran away. The angel of the Lord found Hagar beside a desert spring along the road to Shur. The angel said to her, 'Hagar, Sarai's servant, where have you come from, and where are you going?' I am running away from my mistress,' she replied. Then the angel of the Lord said, 'Return to your mistress and submit to her authority.' The angel added, 'I will give you more descendants than you can count.' And the angel also said, 'You are now pregnant and will give birth to a son. You are to name him Ishmael, for the Lord has heard about your misery. This son of your will be a wild one---free and untamed as a wild donkey! He will be against everyone, and everyone will be against him. Yes, he will live at odds with the rest of his brothers.' Therefore, Hagar referred to the Lord, who had spoken to her, as 'the god who sees me,' for she said, 'I have seen the One who sees me!' Later that well was named Beer-lahairoi, and it can still be found between Kadesh and Bered. So Hagar gave Abram a son, and Abram named him Ishmael. Abram was eighty-six years old at that time." Genesis 16:1-16

CHAPTER 19 WAITING FOR THE NICE SHERIFF TO SHOW UP!!! ©

19:1 *"The rich rule over the poor, and the borrower is servant to the lender."* Proverbs 22:7

19:2 Once I had left my job, it was apparent that I could no longer make the steep mortgage payments any longer. The home had been refinanced so many times, that it had gone from a reasonable payment, to outrageous. I refinanced it one more time within that year. I had gotten messed up with a crooked mortgage broker, who lied to me about the interest rate. I now owed much more than the house was worth, and it was upside down!!! The ATM machine had dried up!!! I had resigned myself that I would let the home go into foreclosure, and I would ride out the storm. In the state of Michigan, you have one year before the mortgage company can repossess your home. The Titanic was sinking, and I was determined I would go down with it!!!

19:3 One of my idols had been my credit rating.* That quickly was going down the tubes. My FICA score was plummeting each month that I did not make the payment. I was collecting unemployment which Jim had agreed to pay. I was also collecting rental income from the back house, and told the renter he would have to leave when I left as well. I also liquidated my IRA.

19:4 **"Then will I sprinkle clean upon you, and ye shall be clean: from all your filthiness, and from all your idols, will I cleanse you."* Ezekiel 36:25

19:5 My family now had to hear the raw truth that I had been having a hot affair with my boss, and that was the reason I left my career. Once again, it was more drama than they could handle!!! The Lord had been doing some healing in our relationship over all those years, but now they were looking at me as the classic "religious hypocrite."

19:6 Once again, it set me up for rejection, criticism, and isolation. My father, and two of my brothers tried to throw money ,

and advice, at the situation when Harold was dying, but the abyss was too deep to fix. My father has always been prophetic, and doesn't even know it. He and my mother were invited to our home for Thanksgiving one year when Harold was alive. My motive was I wanted to show off the homes and impress my parents with my material success. My dad got out of the car, and said, "I hope this doesn't end up on the auction block." He was amazed at all the work that had been done, and the obvious amount of money that had been spent restoring the homes.

19:7 Another idol that was being knocked down was work. I had hidden in my job, and my identity in who I was, was deeply rooted in my career. I was beginning to see that, and I decided to take time off, and not work. I had enough income that I could live meagerly, since I was not paying the mortgage. I had cut all the fat out of the budget, and I was saving money for my next move.

19:8 Another idol that was being knocked down was pride and materialism. I learned the hard way that the people that you are trying to impress, will be the first ones that will laugh at you, as you are standing on the court house steps having your home auctioned. Trying to keep up with the Jones's is a demonic lie, rooted in the spirits of pride, competition, arrogance and insecurity. Competing against others is costly and dangerous. None of it matters in the kingdom of God....you should be winning eternal treasures (souls)....not worrying about how fancy your house is here on earth.

19:9 You know you are a workaholic when you have spent thirteen years living right on Lake Michigan, and have never had your feet in the water. That was my case, I had never been to the beach, other than parking my car and looking at the water in between appointments. I decided that I was going to have fun, and attempt to do it without pot. I spent most of the time at the beach and was trying to get in touch with reality.

19:10 It was also at this time, that the Lord had instructed me to write Jim's wife, who had found out about the affair, and ask for her forgiveness. I addressed the letter to his wife and the two girls, and begged that they forgive me for stealing/borrowing their husband and father. I told them that I did not want to be responsible for any of them getting sick with bitterness, because they hated my guts and were holding grudges. I acknowledged that I would hate me too, but for their own good, they needed to forgive me from their heart and not their head.

19:11 Time was getting close to having to vacate the home. I had given away most of my furniture, appliances, and accessories. I did not feel that I was to have a big sale, I felt led to give to those that needed things. I had all of my personal belongings packed up in fourteen banana boxes, and had kept the antiques and enough furniture to fill a small apartment. I had already made arrangements in another town directly on Lake Michigan, to rent a small affordable studio apartment in another Victorian home.

19:12 On day 363, my good friend, Paul, called me up in the evening, and said, "What are you doing???" I said, "I am sitting in my empty living room, in the corner, on the floor crying, because I have to leave. The nice county Sheriff will be coming in two days to vacate the house. *"He said, "stop your crying, get dressed, and we'll go out and have dinner, okay???"

19:13 **Unless the Lord builds the house, its builders labor in vain.*

Unless the Lord watches over the city, the watchmen stand guard in vain. In vain you rise early and stay up late, toiling for food to eat--for he grants sleep to those he loves." Psalm 127: 1-2

CHAPTER 20 YOUR NAME IS WHAT???

20:1 As I stated before, the Lord really does have an awesome sense of humor. He is hip, funny, and knows how to speak your language!!! I had gone from being a landlord, and having tenants, to becoming a tenant again. My new landlords last name was "Sober!!!" (I have not changed her last name!!!) When she first identified herself, when I called initially, I said, "What did you say your last name was???" She said, it is "Sober!!!" I said, "you know, that is really funny!!!"

20:2 I knew in my heart that God was speaking through this woman, and that is what He was wanting me to do.....GET SOBER!!! I wish I could say that it was that easy, I just quit smoking weed all together. However, my deliverance from drugs has been a gradual thing, and it did not happen over night. Many profound things were happening inside me during my stay in this apartment. I was coming out of a living nightmare, and trying to make sense of it all. The best way I can explain it, is to say that the Lord was beginning to unravel me, like layers of an onion, and delivering me from one demon at a time!!! It was now time for be to be a human being, and not a human doing!!!*

20:3 *"*There is time for everything, and a season for every activity under heaven:*

- . ***a time to be born and a time to die,***
- . ***a time to plant and a time to uproot,***
- . ***a time to kill and a time to heal,***
- . ***a time to tear down and a time to build,***
- . ***a time to weep and time to laugh,***
- . ***a time to mourn and time to dance,***
- . ***a time to scatter stones and time to gather them,***
- . ***a time to embrace and a time to refrain,***
- . ***a time to search and a time to give up,***

. a time to keep and a time to throw away,

. a time to tear and a time to mend,

*. a time to be silent and a time
to speak, .*

*a time to love and a time to
hate, .*

*a time for war and a time for
peace.. Ecclesiastes 3:1-8*

20:4 I had never done any reading, and I started to read books on deliverance, demons, and spiritual warfare. I knew my job in the water business was "boot camp" for understanding the demonic realm. In the next few chapters, I will share many of my experiences. None of these, could have ever been absorbed in a book, this was hands on training!!!

20:5 I also never had any need to use the computer. All of my work in the past was selling, turning in paper work, and dealing with financing. All computer work was done for me. I was afraid of this technology, and now I had an opportunity to get free help and training. I remember walking into the Work Force Development, and I had so much brain damage from pot, that I could barely type my name. This is also why I had a hard time reading.....I had a problem with comprehension.

Smoking massive amounts of weed for long periods of time, shoots short term memory.....and it does cause brain damage. I had started attending another church, and was spending a lot of time in prayer. I also was forced to look at myself in the mirror and try to figure out who I was.

There was nothing that I could hide behind, because everything had been stripped away. God had to knock down the house, with HIS FIRE, to rebuild HIS NEW FOUNDATION!!!!*

20:6 *"*Those whom I love I rebuke and discipline. So be earnest, and repent. Here I am! I stand at the door and knock. If anyone hears my voice and opens the door, I will come in and eat with him, and he with me.*" Revelation 3:19

20:7 Even though I knew in my heart that forgiveness was a really big deal , I still had many people that deep down I hated, including myself.* I had a very hard time forgiving me for things that had occurred. However, the Lord was teaching me several lessons on forgiveness, His judgment and form of justice.

20:8 *"As water reflects a face, so a man's heart reflects the man."* Proverbs 27:19

20:9 I heard through people that I was still in contact with, that the pastor of my old church, Lance, had raped the church financially. He had embezzled one elderly woman of over \$40, 000 dollars. He had ruined the credit rating of the church, and his dealings were now being exposed all over town. The church was left in massive debt, and the people did not have the money to pay the bills that had been run up. Just as the Lord had said to me, "VENGEANCE IS MINE....I WILL REPAY!!! IT IS NOT YOUR JOB."*

20:10 Many involved in the church cover up developed severe health problems. The overseer who was paid to cover up the theft, ended up with heart problems. Lance's mother, ended up with breast cancer. I never heard what happened to the father, or others in the upper echelon of this denomination, but nothing would surprise me. It took almost three years, but once again, EVERYTHING CAME OUT IN THE WASH. Lance was truly under the judgment of God. His wife left him, he lost his preaching license, and his kids wanted nothing to do with him, because they were afraid of him. He was also under investigation by the IRS, and other legal authorities. As we suspected, he had been embezzling money from small churches, all over the country.*

20:11 *"Do not say, 'I'll repay you back for this!' Wait for the Lord, and He will deliver you."* Proverbs 20:22

20:12 Part of me was jumping up and down, happy that all this took place, and the other part of me was sick about it.* Now the people left in this congregation had to deal with their bitterness, and the reality

that they were warned, and did not listen. What took place in this church, was so demonically inspired, that it still blows my mind.

20:13 *"Do not gloat when your enemy falls when he stumbles, do not let your heart rejoice, or the Lord will see and disapprove and turn his wrath away from him."* Proverbs 24:17-18

20:14 The bite of the RELIGIOUS SPIRIT, is that of a POISONOUS SNAKE and it takes much healing and deliverance to get free of the hurt and pain that it causes its victims. I knew Lance was demonized, because I could see it in his eyes.* He could never give me direct eye contact, he would always look down. I am an intense person, and I was taught as a child, to look people directly in the eyes. I recall my father teaching me that, and when I would mumble or look away from his eyes, he knew I was lying or doing wrong.

20:15 *"The light of the body is the eye: if therefore thine eye be single, thy whole body shall be full of light. But if thine eye be evil, thy whole body shall be full of darkness. If therefore the light that is in thee be darkness, how great is that darkness!"*

Matthew 6: 22-23

20:16 The irony of the tragedy that occurred at this church, is that now God was asking me to intercede for these people, and see them set free from what had taken place.* As I always did, and still do, I was writing to twelve other ministries, asking them to agree in prayer. Much of the congregation had become so bitter, that it was causing health problems. A new pastor was sent to the congregation, and the Lord started to turn things around.

20:17 *"But love your enemies and be kind and do good (doing favors so that someone derives benefit from them) and lend, expecting and hoping for nothing in return but considering nothing as lost and despairing of no one; and then your reward will be great (rich, strong, intense, and abundant), and you will be sons of the Most High, for He is kind and charitable and good to the ungrateful and the selfish and wicked. So be merciful, (sympathetic, tender, responsive, and compassionate) even as your Father is (all these)."* Luke 6: 35-36

20:18 Another thing that happened was Delilah, the woman that told my secret after the TV interview, had personal tragedy occur in her life. Two of her children had died within a short period of time. One was murdered, and the other one was found dead, frozen in his car, after falling asleep in a drug induced coma. I truly had to let go of all the feelings that I had for her, and now I pitied her, for her loss. I felt the same way about Lance, and all the people in the congregation that bad mouthed me. It became easier to pray for them, because this was no laughing matter.*

20:19 **"You have heard that it was said, 'Love your neighbor and hate your enemy.' But I tell you: 'Love your enemies and pray for those who persecute you, that you may be sons of your Father in heaven. He causes his sun to rise on the evil and the good, and sends rain on the righteous and the unrighteous. If you love those who love you, what reward will you get? Are not even the tax collectors doing that? And if you greet only your brothers, what are you doing more than others? Do not even pagans do that? Be perfect, therefore, as your heavenly Father is perfect."* Matthew 5:43-48

***"If your enemy is hungry, give him food to eat; if he is thirsty, give him water to drink. In doing this, you will heap burning coals on his head, and the Lord will repay you."* Proverbs 25: 21-22**

20:20 Also during this time, something else took place that had a profound impact on me, and I still deal think about it to this day. I was in Mishawaka, Indiana doing some shopping one day. The Lord had told me to go and pray for Harold's father that had been in a nursing home, for a few years. The nursing home was right next to the shopping mall. I told God, "I'll do it next week." Within that week, his father passed away.

20:21 I feel that he went to hell. I sensed that the Lord wanted me to pray with him, and ask him to accept Christ. I had done that several years ago, but I do not think that his father took it seriously, because he laughed off the prayer. He had always been "religious" but had never

been saved, or had a relationship with Christ. He was the classic stereotype of many that take up space in pews of churches. He was on the membership role, he was an usher, and wore a polyester suit and tie on Sunday. However, if he bumped into Jesus, he would have not recognized or acknowledged Him. Very shortly after, Harold's mother passed away as well. I had kept in contact with her, even though she never really liked me. In a bizarre way, it brought closure to many things that occurred. I do have peace that his mother came to the Lord, but I have no peace that his father did. I have the blood on my hands from that, and I have never forgotten it.

20:22 As I stated before, the economy in Michigan, was already in trouble several years ago, before the reorganization of *General Motors*. I was collecting unemployment, and kept getting extensions, which lasted almost two years. It was a fraction of what I was making previously, but I was beginning to learn to live very cheap. Eventually, I started to look for another job, and every door I walked into closed. It came to a point that I could not even get a job as a waitress. The only thing I knew to do, was to go back to the water business. I answered ads with the same company, I had worked for 16 years. I interviewed in Indianapolis, was offered the job, but did not like the man that was hiring. I turned down the offer. I then interviewed in Minneapolis, and they did not like me!!! The third job choice was listed in Omaha, Nebraska. I called them up, told them who I was, and I was hired over the phone.

20:23 This was a corporate store, so they had access to my sales record. They also called Jim, and he gave me an excellent reference. They also did a background check, and found no record. I, to this day, can't explain that other than God erased my prison time. I never had been required to have a background check in the other jobs, and I would have to say that it is another case of the Lord supernaturally covering me. Little did I know that this was Gods way of getting me where he wanted me, and getting me out of Michigan before the financial collapse.

CHAPTER 21 "I AM TAKING YOU TO A NEW LAND!!!!" ©

21:1 *"From one man He made every nation of men, that they should inhabit the whole earth; and he determined the Times set for them and the exact places where they should live!" Acts 17:26*

21:2 I had received a prophetic word in front of everyone back in Michigan, in a church service. The Lord said that He was going to take me to a new land, and it was Him that had been closing the doors, waiting for me to run out of gas trying to do my own thing. That is exactly what had happened, and I was now walking out that word.

21:3 I woke up in Omaha, Nebraska on New Years Day of 2005. My friend Paul, loaded up his truck, and helped me move. I had much favor with my new landlord, and was living in a nice place for very little money. Everything on the surface looked good at my new job. I had been told over the phone that I would be getting appointments handed to me, like I had back in Michigan. I would be responsible for only a few of my leads. However, I quickly learned that was not true. This job was based on generating your own leads, with very little call in action from the customers.

21:4 Once I realized I had been conned, I was not very happy or compliant. The reason that the sales manager insisted that I not come for an interview, which I wanted to, was because he did not want me to know the truth. He cleverly used the winter weather as the excuse that I did not have to interview, because he did not want me driving from Michigan to Nebraska on the slick roads. He also stroked whatever pride I had left, and told me that my record was so outstanding, that he simply wanted to know when I could start. I also had foolishly told him over the phone, that my husband had died, with no insurance, and I had

lost our home. He figured I was desperate, and would be a submissive puppet!!!

21:5 I now know that God allowed this to happen because it was the only way He would get me to Omaha, Nebraska. He had to use something that was very familiar, for me to leave Michigan. I did not know one person in this town when I moved. I had little money, and it was a very scary and lonely time.

21:6 I lasted in that position for six months, and hated every minute of it!!! I had a guaranteed salary for three months, but the rest of the time was straight commission, and obtaining my own leads. I regret it now, but after I resigned, I raised hell at the corporate office!!! I wrote to the new president of the company, and I told him what had happened. In hindsight, it would have been better to simply leave and

not burn any bridges or threaten to blow them up!!! Eventually, the people involved in misleading me were all fired. I took another sales job, and that lasted three months. I was having a very hard time finding my niche in Omaha.

21:7 On Thanksgiving day, the Holy Spirit, woke me up at 4:00 am. He said to me,

"IF YOU DO NOT GET THIS HATE OUT OF YOUR HEART, YOU WILL CONTINUE TO GO AROUND IN CIRCLES, AND CHASE YOUR TAIL LIKE YOU HAVE BEEN."

I spent the entire day on Thanksgiving crying and making a list of everyone that had done me wrong, and that I hated.* I thought that had been taken care of, but God was digging very deep and knew the truth.

21:8 *"*The purposes of a man's heart are deep waters, but a man of understanding draws them out.*" Proverbs 20:5

21:9 That day was the beginning of a long process of being delivered from strongholds that had kept me bound. Once I had made my list, I could not believe how long it was. One by one, I asked God to give me the ability to forgive them with my heart and not my head. I realized that I could not do it alone, and He had to help me. I also had to forgive myself. I was the worst one on the list, because I still had not forgiven me. God also revealed to me that I was angry with Him, because I had blamed Him for being married to Harold. He gloriously set me free from that lie, with the following dream.

21:10 Harold and I were pictured on the stage in the church where we had been married. We were getting ready to take our wedding vows, but the pastor had not yet started the ceremony. The back doors of the church, swung wide open, and a woman yelled very loudly, three times, "MICHELLE, DON'T DO IT; MICHELLE , DON'T DO IT; MICHELLE, DON'T DO IT!!!" Whenever, I have "God dreams, or prophetic dreams," I normally wake up immediately. I did in this case as well. I said, "Lord, what are You saying." He answered right back, and said, "I DID NOT PUT YOU IN THIS MARRIAGE. YOU PUT YOURSELF IN IT. I SENT YOUR MOTHER, YOUR FATHER, AND HAROLD'S MOTHER TO WARN YOU TO NOT MARRY HIM.* IT WAS NOT MY FAULT, BECAUSE YOU WERE WARNED. YOU HAVE BEEN HOLDING ME ACCOUNTABLE FOR YOUR DISOBEDIENCE, AND HAVE BEEN BLAMING ME!!!" I can't even begin to tell you what a profound dream and answer that was, and how it released me from the anger that I had towards God.*

21:11 *"For rebellion is as the sin of witchcraft, and stubbornness is as iniquity and idolatry." 1 Samuel 15:23*
"Listen to your father, who gave you life, and do not despise your mother when she is old. Buy the truth and do not sell it, get wisdom, get discipline and understanding." Proverbs 23:22-23

21:12 Shortly after that dream, He also gave me a dream about the child that I aborted. I had asked for forgiveness many times, but still felt very guilty. He pictured Himself, Jesus, standing, holding the male

baby in His hands. I also woke up after this dream, and He revealed who the father was, and let me know that He was holding this baby in heaven. He told me He had forgiven me for the abortion, and now I needed to forgive myself. This also was a huge deliverance, because I had been carrying much guilt about this decision.

21:13 It was briefly after this event that the Lord gave me another word that was very encouraging. I was in the process of removing old, dirty carpeting in my bedroom, with the intention of redoing the wood floors underneath. As I was on my hands and knees scrubbing the wood floors, the Lord said, "YOU ARE GOING TO WRITE A BEST SELLING BOOK IN THIS APARTMENT, AND IT IS GOING TO SET MANY PEOPLE FREE!!!" I had heard that similar prophetic word come from many other people back in Michigan, but God had never told me directly. If He did, I wasn't listening and I did not believe it. I hung onto that promise, and I knew that it was my mission in Omaha, to write a book. As I stated in the introduction, so much of it is embarrassing, and controversial, that I did not know how to do it.....nor did I want to!!!

21:14 To put the last five years in a nutshell, I would say that it has been an adventure in faith, and learning to rely on God, and God alone. I have quit questioning the ways that He chose to provide for me. I made the determination that I was going to stay away from men, and drugs....because the two had always gone hand in hand. The spirits of lust and addiction hang out together, and they never seem to have any problem finding a willing vessel.

21:15 I will admit that since my affair with Jim, I have had a few "one night stands." They were all about pleasure, and the guilt was certainly not worth the few minutes of fun. I have also gotten high on pot a few times as well. However, it has been nothing remotely compared to the years that I walked around high all day. The few

binges that I did go on, I would always say after I sobered up, "I can't believe that I walked around stoned more than half of my life."

21:16 I am now very happy to be totally aware of what is going on, inside me, around me, and ahead of me.....instead of staying in a drug induced coma. The Lord also revealed to me that one of the reasons that I rationalized staying high back in Michigan, was because He would still talk to me when I was stoned..... which was true!!! I figured that if I could still hear His voice, even when I was ripped, I really had no incentive to get sober.*

21:17 *"As a dog returns to its vomit, so a fool repeats his folly." Proverbs 26:11

CHAPTER 22 "YOU LET A SNAKE INTO THE HOUSE...AND YOU GAVE HIM THE KEYS!!!" ©

22:1 As I stated previously, I was a landlord for many years. In my experience of dealing with tenants, I have only had two problem renters. The Lord had told me not to rent to these people, but I did anyway , because I felt sorry for them. When I handed the keys over to this particular person, I had a horrible, sinking feeling in my stomach. Just as the Lord had said, "YOU ARE GOING TO HAVE PROBLEMS WITH THIS GUY!!!", I ended up having problems with this guy!!! After the dust had settled, the Lord said to me, "YOU LET A SNAKE INTO THE HOUSE.....AND YOU GAVE HIM THE KEYS!!!" The exact thing is true when we mess around with sin, we actually give the devil permission to come in and mess up our house!!!*

22:2 *"When an evil spirit comes out of man, it goes through arid places seeking rest and does not find it. Then it says , 'I will return to the house I left.' When it arrives, it finds the house unoccupied, swept clean and put in order. Then it goes and takes with it seven other spirits more wicked than itself, and they go in and live there. And the final condition of that man is worse than the first. That is how it will be with this wicked generation."*

Matthew 12:43-46

22:3 While I was in Michigan, I had the following dream. It was very vivid, in color, and in detail. There was this incredible healthy tree. It was big, the branches and trunk were strong, and the leaves were beautifully lush green, and very vibrant. Wrapped around the large trunk of this tree was a large snake. It coiled itself around the majority of the trunk, up to the top branches of the tree. On the bottom of the ground, on the right side of the tree was a package of orange Zig-Zag rolling papers. This was one of those dreams, that after I had it, I immediately woke up.

22:4 I didn't even have to ask the Lord for the interpretation, because it came to me immediately. I was the tree. Trees in the bible represent Life. The snake was the devil. The orange Zig-Zag rolling papers represented me smoking pot, for these were my favorite brand of papers to roll marijuana.* The Lord in a very creative way was saying that satan was using the pot to choke the life out of me. This was a very accurate illustration of what was going on in my life at the time I had the dream.

22:5 *"Now the doings(practices) of the flesh are clear (obvious): they are immorality, impurity, indecency, Idolatry, SORCERY, enmity, strife, jealousy, anger (ill temper), selfishness, divisions (dissensions), party spirit (factions, sects with peculiar opinions, heresies), envy, drunkenness, carousing, and the like. I warn you beforehand, just as I did previously, that those who do such things shall not inherit the kingdom of God." Galatians 5: 19-21*

22:6 I absolutely hate snakes!!! I have dealt with every kind of personality and demons, and I have not been afraid of the people. Many people give me the creeps, and I usually can discern what demons are operating in them. However, snakes terrify me, and I can't even handle looking at them. I believe it is because they represent satan. It was God that cursed the snake after he had deceived Eve.*

22:7 *"Now the serpent was more subtle and crafty than any living creature of the field which the Lord God had made. And he (satan) said to the woman, Can it really be that God has said, You shall not eat from every tree of the garden?" Genesis 3:1 "And the Lord God said to the serpent, 'Because you have done this, cursed are you more than the cattle, more than every beast of the field; on your belly shall you go, and dust shall you eat all the days of your life; and I will put enmity between you and the woman, between your seed and her seed; He shall bruise you on the head, and you shall bruise him on the heel." Genesis 3: 14-15*

22:8 As I stated before, I firmly believe that the Lord had me in "His Holy Ghost boot camp of discerning spirits", when I was employed

in the water business, going into thousands of people's homes. I could walk into a home, even when I was high on weed, and tell you within five minutes, exactly what was going on in that home spiritually. Little did these people know that once I left their house, I would get into my car, and write down the specific demons on my lead sheet, that we were to target in prayer. I refer to the "we", as my intercessors that I write to monthly. I am so grateful to the ministries that have stood in prayer with me over all these years!!!

22:9 It may freak you out, but I am going to tell you some of the really strange things that I have witnessed demons do through people. This is only a few of the examples, but they are some of the best!!! I need to point out, that once I had been filled with the Holy Ghost, with the evidence of speaking in tongues, I was never the same person. I asked The Lord to allow me to see into the demonic realm. Not only can I see them, I can feel them, sense them, and sometimes smell them. It has never made life boring.....that is for sure!!!

22:10 I'll start out with the renter that the Lord had told me not to rent to. This is the one that God referred to as "a snake!!!" When I saw the guy entering the premise, in the spirit, I saw a nest of snakes coiled over his head. When I got around him, I had a horrible feeling in my stomach, and I felt very uncomfortable in his presence. When he would leave the area, I could feel his demons that would remain. Even after hours of him being gone, I could smell the spirits associated with his many addictions. I would command these demons to return to the pit, in the name of Jesus, and get off the property.*

22:11 *"Or else how can one enter into a strong Man's house and spoil his goods, except he first bind the strong man? And then he will spoil his house."* Matthew 2:29

22:12 I had an experience in a restaurant with a woman. We had agreed to meet for lunch several years ago. This particular person had many issues with me, and was bringing up my past life. We were eating at

the pinnacle of lunch time, and the dining room was crowded and rather loud. This woman began going into a rage over my past, and I stopped eating my lunch, and started crying. I put my hands over my eyes, and tears were dripping into my salad!!! I looked up and realized that the entire room had become silent, everyone could not help but listen to this woman go off on me. I looked around in total embarrassment, and looked at her, in the eyes. In her mouth was a cobra snake, making her tongue rattle exactly like a snake. Her eyes were also squinted and her pupils looked very small. It was like looking at pure evil. I remember feeling my face turn white, and I felt like I wanted to vomit!!!

22:13 The woman was oblivious to the fact that the entire dining room of people had silenced themselves because of this verbal attack, and were listening to every demonic word that coiled out of her serpent like tongue. This particular incident taught me that when demons talk through people, the people, many times do not remember what took place. I say this because I later confronted this person with the very unpleasant experience I had.....and she denied it, and said she had no recollection of what I was talking about!!! I believe her, and it furthers my theory that we must separate the people from the demons, and not hate the people...but hate the demons.

22:14 This story is a TRIP.....one that is really hard to forget!!! In our water purification sales office, there was the office manager, Connie, and another person that helped with the incoming phone calls. That position over the years, employed several people, but Connie was there for many years, as I was. We both witnessed this one!!! One of the office girls, who was very cute, and skinny, would BELCH very loudly, and frequently, freaking out everyone in the office. The girls name was Nancy. It became an office joke!!!

22:15 I knew after hearing this several times, that there was something demonic about it, because it simply was not normal burping,

especially coming out of an 90 pound female body. When it happened, and I was in the office, Connie and I would exchange eye contact and have a hard time not laughing. One day I walked up to this girl, and said, "You know, Nancy, God can heal you from that burping thing!!! Would it be okay with you, if I pray for you???" Immediately, a deep, male voice came out of her, and said, "I do not want you to pray for me!!!" I felt the color go out of my face, and I turned to look at Connie, who had heard it as well. I said nothing and I walked out of the office.

22:16 Once I got into my car, and drove around, I asked the Lord, "what is the deal with Nancy???" The Lord replied immediately. He said, "SHE WAS INVOLVED IN BEER BURPING CONTESTS, AND WAS WINNING A LOT OF MONEY DOING THIS. SHE INVITED THIS DEMON IN WHO WAS MAKING HER WIN, AND IT IS STILL THERE, AND HAS NEVER LEFT."

22:17 The following Monday, Connie got me alone, and asked me what I had heard on Friday. I said, "the same thing you heard.....a male voice come out of the mouth of Nancy." She acknowledged that she had heard the same thing, but thought she was going crazy. I told her what the Lord had told me, and I said, all I could do was target that "beer burping demon" in prayer!!!

22:18 This is another classic demon story!!! One of the churches I attended for a brief period of time in Michigan, had a demonic stronghold of arrogance, lust and pride, specifically in both pastors. It was a married couple that led the congregation. The wife was very attractive, and her husband was filled with lust. Neither of them liked me, and it was very apparent in the cold way that I was treated!!!

22:19 One of their daughters was also very attractive. I walked into the sanctuary on a Sunday morning, and in the spirit, I saw this daughter with a long neck exactly like that of a giraffe. My first thought was.....okay I smoked some weed a few days ago, but I know I

am sober today. I asked the Lord, what is that??? He told me on the way home in the car that it was a spirit of PRIDE!!! The bible refers to people being "stiff necked" and that is exactly what this thing looked like.* I call the spirit of pride, the "giraffe demon!!!" I believe that this spirit was transferred from the parents.

22:20 **And Jehovah said unto Moses, Say unto the children of Israel, Ye are a stiff necked people; if I go up into the midst of thee for one moment, I shall consume thee: therefore now put off thy ornaments from thee, that I may know what to do unto thee. Exodus 33:5 Ye stiff necked and uncircumcised in heart and ears, ye do always resist the Holy Spirit: as your fathers did, so do ye. Acts 7:51*

22:21 I am fairly convinced that there is no shortage in hell of the spirit of lust. Lust can be for sex, drugs, money, power, position, things, food, or control. When people think of the word lust, they usually associate it with sex.....but it has many other forms. I stopped counting how many times lust has manifested on me. It always manifests in the form of the person, male or female, having the tongue come out, and licking in a strange manner. I am sure that I have painted an adequate picture of this, without going into more detail!!!

22:22 I have also experienced the spirits of rage or anger manifesting. These spirits cause the person to snarl their lips, almost like that of any angry animal, and show their teeth. It is one that does freak me out, and is not pleasant to view!!! I was acquainted with a woman who was bound by the spirits of religion, bitterness, hate, division, and gossip. She was somebody that I drove to church and tried to help out as much as possible. She loved stirring up strife and speaking ill about many people. The spirits that had her bound eventually made her lips move constantly, and she could not control the movement. It makes perfect sense because the spirit was driving her to babble about other people!!!

22:23 This story about a person manifesting demons is probably the most memorable of my career. I was called out to a house that I knew in my heart there was no way they could afford a water conditioner. The entire family was present, including the kids in the living room. I did my usual presentation, like I did for everyone, knowing that they did not have the credit to rent or buy a system. Once we had established that in an open and honest manner, we got on the subject of God, which happened very frequently on my calls. The man told me that he was interested in being filled with the Holy Spirit.

22:24 I took him by the hands and asked him to repeat a prayer of salvation, and then I asked the Lord to baptize him with the Holy Ghost with the evidence of speaking in other tongues. I then after saying the prayer in English, started praying in tongues, out loud, which is something that I usually do not do in front of other people. The man stood up from the table where he was sitting. God then took over. I had done my job. After he stood up, the Lord slayed him out in the spirit. That means that nobody touched him, he fell to the ground, on the carpeting, flat on his back, and did not get hurt!!!

22:25 I continued to pray in tongues out loud. The Lord was delivering and cleaning this guy out. He started foaming at the mouth, and literally his body was manifesting like that of a snake. He was coiling around like a snake on his carpeting, leaving foam on the rug!!! I kept praying in tongues, and his family watched in awe as this took place. After about an hour of deliverance, the guy got up and was in his right mind. He started praying in another tongue or unknown language. It was quite a time, and I knew like many of my sales calls that God had sent me out to that house for that reason only, not to purchase clean water.....but receive the LIVING WATER!!!

22:26 I have also had children manifest on me several times. I personally believe that spirits can be transferred at birth. The

youngest child that ever showed signs of having a spirit was only two years old. As I stated in the forward of this book, demons are expelled in many different ways, and I have become accustomed to this happening when I am around. I prayed for this anointing, and I believe much of it has to do with the mantle of Lester Sumrall being passed on to me. When demons are leaving peoples bodies, they will start coughing, yawning, crying, laughing, burping, sneezing, or passing gas. The most common ways seem to be either coughing or sneezing. Every time I sneeze, I say, "Thank you Jesus for delivering me of that spirit. " I know I am not looking directly into the Sun, but I am being delivered by THE SON!!!

CHAPTER 23 ARE THERE PIGS IN YOUR PARLOR???

©

23:1 Up until this chapter, everything that I have written has been original and funneled from the portal of heaven. The credit to this portion goes directly to Frank and Ida Mae Hammond who are now with the Lord. They wrote the awesome book, called "PIGS IN THE PARLOR." It is one of the most sensible, practical books I have ever read. I wrote to Mr. Hammond shortly before he passed, and told him of my experience in hell, and how I appreciated his book. He and his wife were pioneers in the deliverance ministry.

23:2 When I first started doing the prayer lists back in Michigan, in 1991, the Lord was teaching me about demons and demon clusters. I emphasize the fact that I did not read books, because I had a hard time comprehending what I had read, because of so much marijuana smoking. One day I was sitting down, and the Lord started giving me specific demon personalities that we (me and my intercessors) were to target in prayer. It was something that came so simply and it was like I was not doing the writing, but God was.

23:3 I was amazed at how similar the revelation of the demonic army was to that which was given to the Hammonds. I read that book in 2002. It gave me more confidence that I was hearing the voice of God...and not going crazy. Some of the terms the Lord had given me where in more modern language, the way I speak!!!

23:4 However, I sense that I am to list the demon clusters that were given to the Hammonds. I have added a few that the Lord gave to me. THE FOLLOWING DEMONS HANG OUT TOGETHER!!! Satan has an organized army of demons, and there are different rankings, and orders. Flocks of demons are associated with other flocks of demons. It goes along with the saying....."birds of a feather.....flock together!!!" Once you read this, it will be easy to identify certain types of people

that you know, and perhaps yourself!!! The purpose is to give you a better understanding of the "separate the demons from the people " message!!! LOVE AND FORGIVE THE PEOPLE.....HATE THE DEMONS.....AND TELL THEM TO GO BACK TO PIT!!!

23:5 THE SPIRIT OF BITTERNESS hangs out with RESENTMENT, HATRED, UNFORGIVING, VIOLENCE, TEMPER, ANGER, RETALIATION, AND MURDER. THE SPIRIT OF REBELLION hangs out with SELF-WILL, STUBBORNNESS, DISOBEDIENCE, AND ANTI-SUBMISSIVENESS. THE SPIRIT OF STRIFE hangs out with CONTENTION, BICKERING, ARGUMENT, QUARRELING, AND FIGHTING. CHAPTER 24 ANGELS ASSIGNED OVERTIME!!! ©

24:1 For people who know me, know me as a very upbeat, happy, positive person.....especially since I made the move to Omaha, Nebraska. My personality is not one that would enjoy talking about entities from hell. I would much rather discuss nature, flowers, decorating, running, animals, cooking, cleaning, fixing things up..... and things that are considered to be cheerful. I have always been deep, and have been a "thinker" all my life.

24:2 My purpose of discussing demons has to do with the fact that I want to make you very aware that they are real, and what their purposes are....to kill, steal, and destroy. Most importantly, they do not have to stay. They can be told to leave your body, and return to the pit. I have a passion to see the world set free from demonic bondage.

24:3 I am so happy to be able to also tell you that GOD'S ANGELS that did not rebel, OUTNUMBER satan's angels. In simple terms, God kicked the devil, Lucifer, out of heaven.* The bible says that one-third of the angelic host rebelled against God and followed satan.* That means that two thirds of the angelic host did not rebel. If the body of Christ would wake up and smell the roses, they would realize that we have the authority, in the name of Jesus Christ, and His shed blood. We should be telling the devil where to go, instead of him and his demons having such a stronghold in our lives and the lives around us.*

24:4 *"Sheol (Hades, the place of the dead) below is stirred up to meet you at the coming (O tyrant Babylonian rulers); it stirs up the shades of the dead to greet you--even all the chief ones of the earth; it raises from their thrones (in astonishment at your humbled condition) all the kings of the nations. All of them will (tauntingly) say to you, Have you also become weak as we are? Have you become like us? Your pomp and

magnificence are brought down to Sheol (the underworld) , along with the sound of your harps; the maggots (which prey upon dead bodies) are spread out under you and worms cover you (O Babylonian rulers). How have you fallen from heaven, O light-bringer(Lucifer) and daystar, son of the morning! How you have been cut down to the ground, you who weakened and laid low the nations(O blasphemous, satanic king of Babylon!) And you said in your heart, I will ascend to heaven; I will exalt my throne above the stars of God; I will set upon the mount of assembly in the uttermost north. I will ascend above the heights of the clouds; I will make myself like the Most High. Yet you shall be brought down to Sheol (Hades), to the innermost recesses of the pit (the region of the dead). Those who see you will gaze at you and consider you, saying, 'Is this the man who made the earth tremble, who shook kingdoms? Who made the world like a wilderness and overthrew its cities, who would not permit his prisoners to return home?

*All the kings of the nations, all of them lie sleeping in glorious array, each one in his own sepulcher. But you are cast away from your tomb like a loathed growth or premature birth or an abominable branch (of the family) and like the raiment of the slain; and you are clothed with the slain, those thrust through with the sword, who go down to the stones of the pit (into which carcasses are thrown), like a dead body trodden underfoot. You shall not be joined with them in burial, because you have destroyed your land and have slain your people. May the descendants of evildoers nevermore be named!" Isaiah 14:9-20 *"Then another sign appeared in heaven: an enormous red dragon with seven heads and ten horns and seven crowns on his heads. His tail swept a third of the stars out of the sky and flung them to the earth. The dragon stood in front of the woman who was about to give birth, so that he might devour her child the moment it was born. She gave birth to a son, a male child, who will rule all the nations with an iron scepter. And her child was snatched up to God and to his throne. The woman fled into the desert to a place prepared for her by God, where she might be taken care of for 1,260 days. And there was a war in heaven. Michael and his angels fought against the dragon, and the dragon and his angels fought back. But he*

*was not strong enough, and they lost their place in heaven. The great dragon was hurled down---that ancient serpent called the devil or Satan, who leads the whole world astray. He was hurled to the earth, and his angels with him. Then I heard a loud voice in heaven say: 'Now have come the salvation of the power and the kingdom of our God, and the authority of his Christ. For the accuser of our brothers, who accuses them before God day and night, has been hurled down. They overcame him by the blood of the Lamb and the word of their testimony; they did not love their lives so much as to shrink from death. Therefore rejoice, you heavens and you who dwell in them! But woe to the earth and the sea, because the devil has gone down to you! He is filled with fury, because he knows that his time is short.'" Revelation 12: 3-12 "Behold, I give unto you power to tread on serpents and scorpions, and over the power of the enemy: and nothing shall by any means hurt you."
Luke 10:19 "When Jesus saw that a crowd was running to the scene he rebuked the evil spirit. 'YOU DEAF AND MUTE SPIRIT, he said, I COMMAND YOU , COME OUT OF HIM AND NEVER ENTER*

HIM AGAIN." Mark 9:25 "And behold there was a woman which had a SPIRIT OF INFIRMITY eighteen years, and was bowed together, and could in no wise lift up herself. And when Jesus saw her, he called out to her to HIM , and said unto her; "WOMAN, THOU ART LOOSED FROM THINE

*INFIRMITY." Luke 13: 11-12 "And there was in their synagogue a man with an unclean spirit; and he cried out, saying, let us alone; what have we to do with thee, thou Jesus of Nazareth? Art thou come to destroy us? I know thee who thou art, the Holy one of God. And Jesus rebuked him, saying, HOLD THY PEACE, AND COME OUT OF HIM. And when the unclean spirit had torn him, and cried with a loud voice, he came out of him."
Mark 1: 23-26*

24:5 I would love to share with you some of the experiences that I have had with God's angels. I had the revelation that many of the adventures have been centered around my cars. I know I have had many

encounters with angels, but I am going to highlight these!!! As I stated before, when I was in direct sales, I did a majority of praying in the Holy Ghost when I was in the car. I believe that is why satan has tried to kill me so many times in severe car accidents. Plus he hates the banner that I display on the back window of my car that simply says....."Jesus Answers Prayer!!!"

24:6 This experience is the only time that I can say that I saw an angel, and I knew it could be nothing less!!! *One night I had finished up a sale in LaPorte, Indiana. The customers lived out in the country, and I left their home about 11:00 pm. It was a snowy, icy night. As I was going down the country road, about two miles from the customers home, I slid into an embankment. I was stuck, and I could not get out. I recall placing my head upon the steering wheel, and crying out the name of Jesus.*

24:7 It was late, I had no cell phone, and I knew it would be a miracle if anyone would be around to help me. There were no houses or neighbors in sight. I pleaded for God to help me!!! Within about 3 minutes of praying and crying, a white truck appeared from nowhere. A man got out of the truck, did not say a word, and placed a hook with a chain under the bumper of my car. He got back into his white, new truck, and yanked my little car out of the ditch.

24:8 *"For He will give His angels (especial) charge over you to accompany and defend and preserve you in all your ways (of obedience and service)." Psalm 91: 11*

24:9 I went to reach into my purse to give him the five dollar bill that I had. By the time that I opened up the door to give this man.....this angel...the money, he and the truck completely disappeared. I should have been able to see him either travel left or go right on this country road, but I saw nothing!!! There was no house across from us,

only a thick wooded area. I believe that the Lord sent an angel in a white truck to rescue me. White represents purity, and the fact that the angel did not say a word, tells me it was SUPERNATURAL!!!

24:10 My female insurance agent back in Michigan, termed me "the woman with nine lives!!!" It is a miracle that my insurance company did not cancel me, however none of the nine accidents that I was in, except one, was my fault. There was a total of nine car accidents that I have had in my life. All of them involved angelic protection, because I walked away from every one of them!!!

24:11 The first one occurred when I was employed at the canoe camp in Ely, Minnesota, the summer before I attempted suicide in college. I was told by my boss to go into town to pick up a few items. I was going too fast, and somehow turned over the car. It was not totaled, but there was damage. I had no injuries, and I was not wearing a seat belt. I walked out of that accident unscathed.

24:12 My second accident occurred in South Bend, Indiana. I have always purchased small cars.....even before it was the cool, "green" thing to do. I have never liked big cars. I was driving, and a guy ran a red light, and smashed into the front passengers side of the little car. He was going about 45 miles an hour. Both cars were totaled, and I walked out without one scrape or injury.

24:13 The third one occurred in Michigan , coming home in the evening from a sales call. Deer are rampant in the area that I lived. I did not used to believe in hunting deer, until I had a few accidents involving them!!! A large male deer with huge antlers rushed quickly across the country road, and I hit it head on. I did not have my seat belt on!!! The damage was very extensive, and as he hit my windshield, it cracked and shattered. Once again, the car was totaled and I walked out with only neck and back pain. This is when I started to use and believe in

chiropractors!!!! In the natural, I should have been injured and cut from all the glass, but did not have one scratch!!!

24:14 The fourth car accident occurred in front of my sales office in Michigan. It was a sunny summer afternoon, and I was stationary on the right side of the road. I had my left hand signal on, and I was waiting for oncoming traffic to clear so that I could turn into our parking lot. I peered into my rear view mirror, and said, "this guy is not going to stop!!!" That's all I remember. The guy plowed into the back of my car going 55 miles per hour.

24:15 Somehow.....I believe legions of angels.....I ended up perfectly aligned along the left hand side of the road, along a ditch on my bosses property. There is no way in the natural, that the car could have been knocked perfectly along a ditch, and not have fallen in, or not had severe damage. To look at my car you would have never known that it had been hit 55 miles per hour. God always seemed to have witnesses on hand in my behalf. Witnesses said they could not explain it, but somehow my car flew over to the other side of the road, along the ditch and did not get hit by oncoming traffic on the left side.

24:16 The guys that didn't stop were not injured, and they were driving a large car. The driver was high on drugs, but tried to blame his brakes that he said had malfunctioned. Their car which was large, had extensive damage. I ended getting a new car, as well, because my body man, who was a friend, and customer, told me that the rim was bent. He advised me to not accept getting it fixed, and once again the insurance company totaled the vehicle.

24:17 The fifth car accident was almost identical to the third one, involving a deer. The eerie thing is that it happened in the same month on the same day two years apart on the exact same road. I called this the "deer curse" and started praying that off of me. I declared in the

name of Jesus, "I break this deer curse, and the assignment that the devil has sent to use deer to kill me. I walked away, with a sore neck and back!!!!"

24:18 The sixth car accident occurred on I-94 on a horrible stormy, snowy, icy winter day. I was coming home from shopping. There was already an accident involving a car and a large semi on the right side of the east bound lane. I was the first car behind the semi that was stationary. There was no place for me to go other than behind this semi, because you could barely see anything in the other lane, because of the blizzard. Within a few seconds another semi on the left side lane of traffic, driving very fast, skid on the ice, and the back of his semi-trailer hit my car. I was flung into a ditch on the right side of the east bound lane.

24:19 As always, God had me covered!!! A policeman who was coming to the aid of the first truck accident witnessed this truck hitting me. The truck did a hit and run and kept going. He was later arrested several miles up the interstate for drunk driving!! I had no injury from glass broken, the car was totaled, and I did not have my seat belt on!!! The policeman could not believe that I walked away alive....it really freaked him out in a good way. I told him that God had a huge purpose in my life, and was not going to let me die yet!!! It gave me one more excuse to visit my favorite chiropractor.

24:20 I call this eighth accident the "Moses Deliverance." Instead of a burning bush, I saw a burning rod!!!* This particular incident took place shortly after Harold had passed away. My father who knew I was facing a mountain of debt, sent me \$4000, with the understanding that I was to pay off my Toyota Camry. We had both agreed it was time to purchase a new car, and he wanted me to be able to negotiate a good deal with a paid off car, instead of being upside down.

24:21 *"*There the angel of the Lord appeared to him in flames of fire from within a bush. Moses saw that though the bush was on fire it did not burn up.*" Exodus 3:2

24:22 The morning the check arrived, I immediately went to the bank, and paid off the car. As I was approaching my home, I looked up at the electric lines and noticed a large tree limb that was totally red, but not on fire. It was laying perpendicular on the electric lines. The shape of the limb was that of a rod. It had no leaves, and it was long and straight. I remember simply saying"Oh, my God!!!"

24:23 Within a matter of seconds two of the power lines shooting massive amounts of electricity and fire had been burned and cut loose, from the tree limb. One line immediately hit the top of my Camry, and the other line was on the windshield. I was still in the street , not yet in my driveway. I was so scared from the amount of fire shooting out of the power lines, I had no time to think logically. I was freaked out, and all I could think of doing was to escape the fire. I left the car running, opened up the door and ran screaming into my driveway. My neighbor was outside, and I ran over to him, not even being able to talk. He witnessed the entire incident.

24:24 The electric company was immediately called, so was fire department, and rescue squad. The head man from the electric company showed up within a matter of minutes.....he just happened to be in the area!!! He got out of his truck, and started yelling at me....."YOU SHOULD NOT HAVE GOTTEN OUT OF THAT CAR.....YOU SHOULD NOT HAVE GOTTEN OUT OF THAT CAR.....YOU SHOULD NOT BE ALIVE!!!" He and my neighbor could not believe that I walked out of that car without being electrocuted.

24:25 This accident took the electric out in part of my town for over 10 hours.

When the fire department came, the car was still running, and people were in awe

that it did not blow up. Everyone was forced to read my "Jesus Answers Prayer!!!" decal on the back window. When the fire was put out, and the car was turned off, and the lines were no longer shooting fire, I recall a fireman going through my glove box, and pulling out my small bible. He simply held it, and stared at it for several minutes, because he knew he had just witnessed a miracle of God.

24:26 I knew it was a miracle, and everyone else did as well. I now had a new reputation in town, instead of the woman at the well,* or the woman caught in adultery, I was now termed as the "fireproof woman." Needless to say, this car was also totaled, and I received over \$7000 to put towards a new car!!! I then had to call my dad and tell him what happened. The conversation started something like this....."Dad, you are not going to believe what happened today after I went to the bank to pay off the car!!!"

24:27 **"A woman from Samaria came to draw water. Jesus said to her, 'Give me a drink.'(For his disciples had gone away into the city to buy food.) The Samaritan woman said to him, 'How is it that you, a Jew, ask for a drink from me, a woman of Samaria?' (For Jews have no dealings with Samaritans). Jesus, answered her, 'If you knew the gift of God, and who it is that is saying to you 'Give me a drink,' you would have asked him, and he would have given you living water." The woman said to him, 'Sir, you have nothing to draw water with, and the well is deep. Where do you get that living water? Are you greater than our father Jacob? He gave us the well and drank from it himself, as did his sons and his livestock.' Jesus said to her, 'Everyone who drinks of this water will be thirsty again, but whoever drinks of the water that I will give him will never be thirsty again. The water that I will give him will become in him a spring of water welling up to eternal life.'* The woman said to him, 'Sir, give me this water,

so that I will not be thirsty or have to come here to draw water." John 4: 7-15

24:28 My neighbor later confided in me that he believes that I took what could have happened to his son, because his son was in his truck getting ready to pull out, when this happened to me. After years of living next to me, this man became a believer in the miraculous and thanked me that it was not his son that the lines fell on. In much prayer and reflection over this one incident, I believe it was a prophetic statement, that God did indeed pull me out of the flames , for the deliverance of others.

24:29 I am happy to say that this is the last accident that I have been in, and it also happened in Michigan. It is number nine!!! I was on my way to an evening church service on a icy winter day at about 5:30. It was still light out, but the roads were very slick. I was on the main drag directly on Lake Michigan, which is only a two lane thoroughfare. I was driving very carefully because of the ice, and I was on the right hand side of the road traveling toward the east. All I remember is seeing a car coming directly towards me, that had skid on the ice and was out of control. I cried out and said, "God, I am going to die!!!"

24:30 The next thing I knew, I was walking out of my wrecked car, unscathed, running to the girl's car that had hit me. I was screaming, and she was pinned between the wheel of her car. Her legs were injured. Other people had stopped and had witnessed the accident. The police, and ambulance were called. I was laying hands on the girls legs praying that God would heal her.

24:31 Once again , the Lord had sent legions of angels to guide and protect me, and I was spared from death one more time. The young girl in the accident was hospitalized. I spoke with her and her mother, and they knew it was a miracle that we lived through this head on collision.

The girl told me that she did not want to drive home that day, but her mom insisted that she do so. She sensed there was going to be an accident. I was able to tell her about Jesus, and how he saved us from dying. We both went to the junk yard and witnessed the demise of our vehicles, and the miracle of us walking out. Both of our cars were totaled, mine was only 4 months old and brand new!!

24:32 Due to the fact that satan has tried very hard to take me out in car accidents, I literally pray in tongues the entire time I am in the car now. I often have people look at me strangely ...like I am a weirdo talking to myself. However, I do not care what people think about me, I know the power of prayer.....and I also know the evil strategies of the enemy!!!

CHAPTER 25 "I AM POURING OUT MY SPIRIT!!!" ©

25:1 *"And it shall come to pass in the last days, saith God, I will pour out of my Spirit upon all flesh; and your sons and your daughters shall prophesy, and your young men shall see visions, and your old men shall dream dreams." Acts 2:17*

"On the last and greatest day of the Feast, Jesus stood and said in a loud voice, 'If anyone is thirsty, let him come to me and drink. Whoever believes in me, as the Scripture has said, streams of living water will flow from within him.'" John 7:37-38

25:2 The thing that I miss the most about the state of Michigan, is Lake Michigan!!! I also miss the country atmosphere. People in Omaha, are getting tired of me saying that there is no water in the state of Nebraska. However, I am prophesying to the state of Michigan, Nebraska, and the entire United States that God is getting ready to move in a very dramatic CLEANSING way, and He is going to pour out His Spirit in ways that people have never seen!!!*

25:3 **"I will open rivers of desolate heights and fountains in the midst of the valleys; I will make the wilderness a pool of water, and the dry land springs of water."* Isaiah 41:18

25:4 I took a trip to Michigan early this Spring. It was still too cold to go in the water, but I needed to get away from Omaha. I drove to the usual beach that I enjoyed viewing the water. However it started raining, and for some reason I was led to drive about 20 miles east down the coast. Once I reached another favorite beach, it was clear and not raining. As I drove along the coastline, I observed many people lined up out of their cars, staring at the lake, and taking pictures. I also parked my car, and got out to see what they were looking at.

25:5 It was the coolest thing I have ever seen. It was a WATER SPOUT, and it looked like God Himself was pouring water from heaven out of a tea pot onto the lake!!! I started to cry, and felt foolish, so I got back into my car. I said, "Lord, what are you saying.....I am weeping, and I know you are saying something to everyone here!!!" He responded, and said, "I AM POURING OUT MY SPIRIT!!!" I knew He was, because the presence of the Holy Spirit always makes me weep!!! The majority of people were very touched by this sign from God. It made the newspaper that day, and everyone was talking about the beauty and majesty of God's handwriting in the sky!!!

25:6 The Lord is saying to America, "IT IS NOT TOO LATE.....IT IS NOT TOO LATE!!! He has allowed the FINANCIAL COLLAPSE to get the attention of everybody.* (The day the stock market collapsed on September 29, 2008, the Dow Jones Industrial Average had dropped 777.68 points. The number 7 represents His number of perfection. The number 7 was represented 3 times, representing the Father, The Son, and The Holy Spirit. The number 6 represents man, or imperfection. The number 8 represents new beginnings, regeneration, and resurrection!!!)

25:7 He is crying out for America to repent, and be delivered and cleansed by His mighty hand.* NO MAN OR WOMAN IS GOING TO FIX WHAT IS GOING ON RIGHT NOW, BECAUSE IT IS A SPIRITUAL PROBLEM, AND IT CAN'T BE FIXED IN THE NATURAL.....IT CAN ONLY BE FIXED IN THE SPIRIT. HE WANTS TO HEAL, RESTORE, AND REVIVE THIS LAND WITH A MIGHTY AND QUICK CLEANSING SWEEP OF HIS HOLY SPIRIT, THAT WILL BRING INCREDIBLE SALVATION, DELIVERANCE, HEALING, AND RESTORATION.

25:8 *"*This is what the Sovereign Lord says about Edom----We have heard a message from the Lord: an envoy was sent to the nations to say, "Rise, and let us go against her for battle---"See, I will make you small among the nations; you will be utterly despised. The PRIDE of your HEART has DECEIVED you, and who live in the clefts of the rocks and make your home on the heights, and who say to Yourself, "Who can bring me down to the ground? (911?) Though you soar like the eagle (our national symbol) and make your nest among the stars (the world?) from there I WILL BRING YOU DOWN DECLARES THE LORD."*
Obadiah 1:4

25:9 He has given me an analogy of America. America is like the hemorrhaging woman with many issues.* America is bleeding, SHE is hemorrhaging, SHE has spent all of her money going here and there believing that a doctor will fix her. In crude terms, America is on a nonstop monthly period.....dripping smelly, disgusting blood everywhere she goes. America is sick, and needs a doctor. IS THERE A DOCTOR IN THE HOUSE???

25:10 *"*A large crowd followed and pressed around him. And a woman was there who had been subject to BLEEDING for*

twelve years. She had suffered a great deal under the care of many doctors and had spent all she had, yet instead of getting better she grew worse. When she heard about Jesus, she came up behind him in the crowd and touched his cloak because she thought,

"If I touch his clothes, I will be healed." Immediately her bleeding stopped and she felt in her body that she was freed from her suffering. At once Jesus realized that power had gone out from him. He turned around in the crowd and asked, "Who touched my clothes?" "You see the people crowding against you" his disciples answered, "and yet you can ask, "Who touched me?" But Jesus kept looking around to see who had done it. Then the woman, knowing what had happened to her, came and fell at his feet and trembling with fear, told him the whole truth. He said to her, "Daughter, your faith has healed you. Go in peace and be freed from your suffering."

Mark 5:25-34

25:11 THE GOOD NEWS ISIT IS NOT TOO LATE FOR AMERICA TO TAKE

HOLD OF THE HEM OF JESUS'S GARMENT AND BE HEALED! JESUS IS THE ULTIMATE JEWISH DOCTOR, AND there is HEALING IN HIS WINGS!!! The garment that the woman took hold of was Jesus's prayer shawl, and the hem , or tassels of that prayer shawl is referred to in the Jewish culture as the "WINGS".*

THE WOMAN WITH MANY ISSUES WAS GLORIOUSLY HEALED AND DELIVERED!!!

25:12 *"Surely the day is coming, it will burn like a furnace. All the arrogant and every evildoer will be stubble, and that day that is coming will set them on fire, " says the Lord Almighty. Not a root or a branch will be left to them. But for you who revere my name, the sun of righteousness will rise with healing in its WINGS. And you will go out and leap like*

calves released from the stall. Then you will trample down the wicked; they will be ashes under the soles of your feet on the day when I do these things "says the Lord Almighty.

Malachi 4: 1-3

25:13 Jesus is standing like a mother eagle with HIS WINGS wide open for all to come for salvation, healing, and deliverance.* No one will be turned away, however it is your choice. He has provided everything for you at Calvary, and has given you a free will to decide which way you are going to go. Turning back to Jesus, admitting our many sins, and repenting from our sins, will be necessary for the success of America and its individuals. Jesus hates the spirit of religion.....He is longing for an eternal love relationship with everyone that will accept Him as lord and savior.

25:14 *"He who dwells in the shelter of the Most High will rest in the shadow of the Almighty. I will say of the Lord, "He is my refuge and my fortress, my god , in whom I trust. "Surely he will save you from the fowler's snare and from the deadly pestilence. He will cover you with his feathers and under his WINGS you will find refuge; his faithfulness will be your shield and rampart. You will not fear the terror of night, nor the arrow that flies by day, nor the pestilence that stalks in the darkness, nor the plague that destroys at midday. A thousand may fall at your side, ten thousand at your right hand, but it will not come near you. You will only observe with your eyes and see the punishment of the wicked. If you make the Most High your dwelling----even the Lord, who is my refuge----then no harm will befall you, no disaster will come near your tent. For he will command his angels concerning you to guard you in all your ways; they will lift you up in their hands, so that you will not strike your foot against a stone. You will tread upon the lion and the cobra; you will trample the great lion and the serpent. "Because he loves me, " says the Lord, "I will rescue him; I will protect him, for he acknowledges my name. He will call upon me, and I will answer him: I will be with him in*

trouble, I will deliver him and honor him. With long life will I satisfy him and show him my salvation." Psalm 91

25:15 Along the lines of "trying to fix spiritual problems in the natural," the Lord gave someone else this dream, and gave my friend and I the exact same interpretation. This dream had to do with a situation going on in a church. The dream went as follows. There were many leaders of this church, mostly men. They were seen holding large rocks and boulders in their hands, trying to kill a very large snake that had been let loose in the church. As they threw their rocks, they keep missing, and they could not kill the snake. The snake was seen going into a large pile of sand, and hiding for a while. Later on the snake reappeared with hundreds of new snakes running all over the church.

25:16 This is the interpretation of that dream. The snake represents the devil and demonic activity. The rocks and boulders represent the men trying to fix the problem in the natural, and not attacking the problem in the spirit with massive prayer and intercession. The root of the problem, was the devil and his demons, not being exposed and dealt with. The demons were being "swept under the carpeting. Everything appeared to be okay, but nothing could have been further from the truth, and problems were being covered up with money. Because of thisthe snake reappeared after hiding its ugly head in the sand.....with hundreds of other snakes and demons to destroy this body of believers. This was a prophetic dream given and interpreted to warn and protect this particular body of believers. The bible speaks of satan as the serpent and as a snake. Unfortunately, satan is active in many churches, and parades around in disguise, and is not being dealt with.*

25:17 *"Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you." Luke 10:19 "And the great dragon was cast out, that old serpent, called the Devil, and

Satan, which deceives the whole world: he was cast out into the earth, and his angels were cast out with him." Revelation 12:9 "And I saw an angel coming down out of heaven, having the key to the Abyss and holding in his hand a great chain. He seized the dragon, that ancient serpent, who is the devil, or Satan, and bound him for a thousand years. He threw him into the Abyss, and locked and sealed it over him, to keep him from deceiving the nations anymore until the thousand years were ended. After that, he must be set free from a short time." Revelation 20: 1-3 So the Lord God said to the serpent, "Because you have done this, "Cursed are you above all the livestock and all the wild animals! You will crawl on your belly and you will eat dust all the days of your life. And I will put enmity between you and the woman, and between your offspring and hers; he will crush your head, and you will strike his heel." Genesis 3:14-15

CHAPTER 26 "THE TABLE HAS BEEN SET" ©

26:1 *"Then I heard what sounded like a great multitude, like the roar of rushing waters and like loud peals of thunder, shouting: 'Hallelujah! For our Lord God Almighty reigns. Let us rejoice and be glad and give him glory! For the wedding of the Lamb has come, and his bride has made herself ready. Fine linen, bright and clean, was given her to wear.' (Fine linen stands for the righteous acts of the saints.) Then the angel said to me, 'Write: 'Blessed are those who are invited to the wedding supper of the Lamb!' And he added, 'These are the true words of God.'" Revelation 19:6-9*

26:2 Hopefully you have had your seat belts on for this spiritual journey, because we are coming in for the landing!!! I just had the vision of what happened in New York Harbor where the plane crashed, and did not sink (Miracle on the Hudson 1/15/09). Everyone was miraculously saved, and walked out unharmed. GOD ALLOWED THEM TO WALK ON WATER!!! That is a great analogy of what the Lord wants to do in all of our lives. He wants to take what satan meant for harm , and turn it around for His Glory!!!

26:3 As I stated in the introduction, the reason I let it all hang out in this book, was so that you could ultimately get free, and real with God. I also felt led to write about the different spiritual lessons that I had to learn the hard way. None of what I have been THROUGH has been easy. However, it has transformed me into a different person, and I am not sorry that everything happened, because it happened for your and my deliverance!!!

26:4 One of the most common and rampant demons is the spirit of adultery. It is influencing and tearing up many marriages worldwide. When I was under the influence of the spirit of adultery, it would tell me that what I was doing was okay, because nobody else was getting harmed, and I was taking care of my husband financially.

26:5 Once I had come clean with Harold about the affair, I had the nerve to ask God the following question. I said to the Lord, "I want to

know why ADULTERY is such a big deal to YOU???" As the Lord usually does, He quickly replied with this answer. "THE REASON THAT ADULTERY IS SUCH A BIG DEAL TO ME, IS BECAUSE I VIEW THE CHURCH THE SAME WAY, I VIEW THE RELATIONSHIP BETWEEN A MAN AND WIFE. THE MAN AND A WIFE ARE IN COVENANT WITH EACH OTHER WHEN THEY GET MARRIED. WHEN PEOPLE ACCEPT MY SON CHRIST AS THEIR LORD AND SAVIOR, THEY ARE NOW IN COVENANT, OR IN MARRIAGE WITH ME. THIS IS WHY I TERM THE CHURCH AS "THE BRIDE OF CHRIST." THEY ARE MARRIED TO THE FATHER, THE SON, AND THE HOLY SPIRIT. WHEN A PERSON GOES OUT AND COMMITS ADULTERY, WHAT THEY ARE SAYING IN THE SPIRITUAL REALM IS...."SCREW YOU GOD"*

26:6 *"*Husbands, love your wives, as Christ loved the church and gave Himself up for her, so that He might sanctify her, having cleansed her by the washing of water with the Word. That He might present the church to Himself in glorious splendor, without spot or wrinkle or any such things (that she might be holy and faultless). Ephesians 5:25-27*"

26:7 I then had a very clear understanding , why the "Big A" was such A BIG DEAL!!! ADULTERY IS SPIRITUAL SUICIDE. IT IS BLASPHEMY TOWARDS GOD IN THE SPIRITUAL REALM. I personally believe that satan knows this, and this is why he uses so many demons to tempt people in this area. He uses the spirits of lust, temptation, rebellion, witchcraft, rationalization, pride, selfishness, insecurity, perversion , contortion, deception, and many others to aid in his ploy. He knows the consequences, and it helps accomplish his main goals.....to kill, steal, and destroy.

26:8 To God, sin is sin. However, there are different levels of punishment here on earth for different sins. Adultery always brings a Pandora's box of demons with it. I have not know one person that has ever escaped from the clutches of the spirit of adultery, without consequences. Just as I was many years ago.....America is committing adultery. *She is in bed with many different lovers. She is spitting in the eye of God almighty. She is committing spiritual suicide, and the

results of that adultery are making the National headlines daily. They are keeping the media in business!!!

26:9 **My people have committed two sins: They have forsaken me, the spring of living water, and have dug their own cisterns, broken cisterns that cannot hold water.*

Jeremiah 2:13

26:10 If you have not noticed, it seems that the HAND OF PROTECTION that was once upon this nation.....has been lifted. If the leaders of our nation, aid in the forced division of the land of Israel, 911 will look like a walk in the park. The Lord said to me, "IF THEY SPLIT MY LAND, I WILL SPLIT THEIR LAND" Sound like an earthquake???

26:11 Sin , arrogant pride, and rebellion against God has consequences, and they are very serious in nature. There will be more disease, natural disasters, financial collapses, earthquakes, and mass devastation , if this country does not get delivered from the demonic influences that has her so drunk , stoned , insatiable, horny and BLIND!!*

26:12 **All a man's ways seen innocent to him, but MOTIVES are weighed by the Lord.* **Proverbs 16:2** ***Righteousness exalts a nation, but sin is a disgrace to any people.*** **Proverbs 14:34** ***When the righteous thrive, the people rejoice; when the wicked rule, the people groan.*** **Proverbs 29:2** ***Woe unto them that are wise in their own eyes, and prudent in their own sight!*** **Isaiah 5:21** ***The Spirit also clearly says that in the later times some will abandon the faith and follow deceiving spirits taught by demons.*** 1 Timothy 4:1

26:13 The adultery includes perversion of all kinds. It includes the love of money, over the love of God. It includes the murder (abortions) of over ONE BILLION children performed worldwide in the last 34 years. It includes the spirits of addiction , witchcraft, and bondage, each possessing many millions of people in the form of drugs, both illegal drugs AND LEGAL DRUGS. The spirit of gluttony is also possessing millions of people, yet there are millions of people undernourished, and starving to

death in other countries. It also includes the spirits of hate, prejudice, death, greed, retaliation, murder, poverty, envy, jealousy, and strife possessing and oppressing this nation. 26:14 The spirits associated with false religions have also brought in millions of demons to this nation. **RELIGION IS A DEMON, AND IT IS BEING USED TO DECEIVE THE MASSES INTO HELL.** Jesus is looking for a love walk with you, a relationship with you, not formality, ritual and bondage of all types.

26:15 Just as in the dream about the snake in the church..... AMERICA IS THROWING ROCKS AND BOULDERS AT THE SNAKE...TRYING TO KILL THE SNAKE. America can continue to throw money at the problems, however the problems will not go away, because they are of a demonic nature!!! America needs to turn back to prayer, fasting, and a love relationship with Jesus Christ. She needs to repent and admit that she is a messed up WHORE and needs a savior. If she does this, and turns to the one and only true God, Jesus Christ..... she will be saved, healed, delivered, and restored.

26:16 I have told you all of my garbage and all of the demonic things that I have been involved with in my life. Nobody can accuse me of being a good two shoes, or a bible thumping nerd. If I did wear T-shirts, which I don't, it could read "YOU NAME IT, I'VE DONE IT!!!" Everything the Lord is having me write, is true, and it is coming through a vessel that he has pulled out of hell, and cleaned up, to be a voice for Him in this generation. I say nothing in judgment, because I have been a rotten sinner that has been redeemed by an awesome, creative, loving God. The Lord is coming for a bride without a spot or wrinkle. He has a lot of cleaning up to do, because his church is dirty and messed up. They are filled with many demons. I am standing in the gap as an intercessor and a person that does not want anyone to go to hell. I am asking for the forgiveness of any person that I have hurt or that I have offended in the past. I am pretty sure that I have made amends with everyone, but just in case, I am still asking for their forgiveness.

26:17 I am also standing in the gap as an intercessor, and asking Jesus to heal all people from anyone that has been hurt in church or by"

religious " people. The bars, night clubs, jails, workplaces, churches, cults, and streets are filled with people who have been stabbed by someone that has been possessed or oppressed with the spirits of religion, and false religions and other demons. I ask for your sake, that you forgive the people behind the demonic acts, and be released from the poison that infected your system from this demonic ploy.

26:18 One story that comes to mind is something that happened to me when I was living on the streets of downtown Indianapolis, Indiana. I was homeless, and I was hungry. I knocked on the door of a beautiful Victorian home in the heart of the city. I was not asking for a place to stay, but I needed something to eat, because I had not eaten for several days. A lady came to the door, looked at me, and I asked her for something to eat. Her response to me was....."Go away! We are having bible study!!!" I did not know it then, but I do know it now.....that was a spirit of religion speaking through that woman.*

26:19 **Then He will say to those at His left hand, Be gone from Me, you cursed , into the eternal fire prepared for the devil and his angels! For I was hungry and you gave Me no food, I was thirsty and you gave Me nothing to drink. I was a stranger and you did not welcome Me and entertain Me, I was naked and you did not clothe Me, I was sick and in prison and you did not visit Me with help and ministering care. Then they also (in their turn) will answer, Lord , when did we see You hungry or thirst or a stranger or naked or sick or in prison, and did not minister to You? And He will reply to them, Solemnly I declare to you, in so far as you failed to do it for the least (in the estimation of men) of these, you failed to do it for Me. Then they will go away into eternal punishment, but those who are just and upright and in right standing with God into eternal life." Matthew 25:41-46*

26:20 The spirit of religion is why we are at war in the Middle East. This is a demonic conflict, and the demons that are influencing the radicals of the Islamic faith, have convinced its followers that they are doing the right thing. Moreover, it is rooted in a demonic hate for the

Jewish people, SIMPLY BECAUSE JESUS IS JEWISH!!! Satan knows that the life of Christ began in Jerusalem, Israel, and He will soon be coming again and His feet will land on the mount of Olives. It all began there, and it will all end there. That is why the devil has always hated the Jewish people and their land.

26:21 Hitler was demon possessed, and he used the occult and millions of demons to attempt to exterminate the Jewish race. SATAN HATES JESUS, AND ANYONE ASSOCIATED WITH HIM. HE HATES THE JEWISH PEOPLE. THE JEWS ARE THE APPLE OF GOD'S EYE, AND GOD WILL SUPERNATURALLY PROTECT HIS CHOSEN PEOPLE. The only answer is that the people get free from demonic bondage, and get filled with the Holy Spirit. Jesus, is the only one that can set people free, and regenerate their spirits and bring new life. He can turn around the most radical people, and deliver them from every demonic entity. This is his desire for the world, for He does not want anyone to be enslaved by the devil and his demons.

26:21 God is a clean freak!!! He is capable of cleaning up the biggest messes, and leaving a very fresh aroma. He showed me the condition of my wedding dress (an analogy of the upcoming wedding supper of the lamb) when I was still playing games. It is graphic, but right on. On this white wedding dress were stains from my last sexual encounter. There was a small hole in the dress from the last joint that I smoked, and a seed popped out and burnt the dress. The dress reeked of smoke. It was covered with blood from the people that I was to reach, but did not want to be obedient and write this book. It had green stains on it from the envy and jealousy that I had for certain people. It was soiled and it was torn. Unfortunately, that dress represents much of the church and the rest of the world. It is not a pretty picture.

26:22 I will never say that I have arrived, but God has been delivering me one spirit at a time. It has been a process, and continues to be a process. The good news is He wants to do the same cleaning job in your life. There is not a case that is "too dirty" or "too many demons"

that the blood of Christ can't handle. He is in the process of exposing all sin in this world. He is doing it from top to bottom. All you have to do is read the headlines to know that is the truth. EVERYTHING THAT IS HIDDEN SHALL BE REVEALED!!!*

26:23 *"So do not be afraid of them. There is nothing concealed that will not be disclosed, or hidden that will not be made known." Matthew 10:26 "Therefore judge nothing before the appointed time; wait till the Lord comes. He will bring to light what is hidden in darkness and will expose the motives of men's hearts. At that time each will receive his praise from God." 1 Corinthians 4:5*

26:24 The days of hiding behind your title, position, badge, collar, robe, education, intellect, denomination, bank account, fancy home, good looks, cool car, are over!!! No matter how you try to hide from God, and wear a plastic mask, HE CAN SEE THROUGH EVERYTHING!!! HE IS SAYING TO THE WORLD RIGHT NOW, THAT HE IS THE TITLE AND HE IS THE POSITION. HE IS THE ALL AND ALL. HE IS THE ALPHA AND THE OMEGA.*

26:25 *"The name of the Lord is a strong tower, the righteous run to it and are safe." Proverbs 18:10*

26:26 Everyone is all freaked out about health care and reform. THE LORD JESUS CHRIST IS THE BEST JEWISH DOCTOR IN THE UNIVERSE. HE HOLDS THE KEY TO UNIVERSAL HEALTH CARE IN THE SCARS OF HIS HANDS. THERE IS NO DISEASE, NO INFIRMITY THAT HE CAN'T HEAL.

26:27 I am prophesying what is getting ready to happen in the area of healing and deliverance. I will be even more specific, that the Lord is getting ready to do an atomic explosion in the spiritual realm here in Omaha, Nebraska. He is going to pour out His Spirit in very unusual ways, that will blow people's minds. He is getting ready to totally heal and deliver His body. The people who do not know Him, will come into his kingdom because of the signs and wondersthey will be in awe.* The

city of Omaha, Nebraska will have a dramatic reversal of negative statics. The revival that is getting ready to flood this city and it will close down the city for a period of time. Businesses will stop doing business, because God is showing off!!! The spiritual explosion will catapult a world wide revival, and the Glory of the Lord will be seen in areas of healing, salvation, massive finances to help others, and many awesome transformations.

26:28 *"Look at the nations and watch-----and be utterly amazed. For I am going to do something in your days that you would not believe, even if you were told."* Habakkuk 1:3-5

26:29 *"Where there is no revelation, the people cast off restraint; but blessed is he who keeps the law."* Proverbs 29:18

26:30 The "N" in the Nebraska flag represents the word NURTURE!!! The red represents the blood of Christ and the white represents purity!!! The recent decision that was made in this state concerning abortion will bring judgment upon this region. As I have been polishing the manuscript during the week of CHRISTmas December 2009, Nebraska has been hit with a very serious winter storm. It also happens to be that Washington, D.C. has been hit with over 22 "of snow, causing great havoc during the celebration of the birth of our Lord Jesus Christ.*

26:31 *"O Lord, the hope of Israel, all who forsake you shall be put to shame; those who turn away from you shall be written in the earth, for they have forsaken the Lord, the fountain of living water."* Jeremiah 17:13

26:32 This is not global warming, like satan, and his many demons would like you to think. This is JUDGMENT FROM GOD ALMIGHTY. THE RED IN OUR FLAG IS TO REPRESENT THE BLOOD OF CHRIST.....NOT THE BLOOD OF THE CHILDREN THAT WE WILL BE RESPONSIBLE FOR KILLING IN FEDERALLY FUNDED ABORTIONS.*

26:33 *"Woe to those who call evil good and good evil, who put darkness for light and light for darkness, who put bitter for sweet and sweet for bitter!" Isaiah 5:20*

26:34 *"Food gained by fraud tastes sweet to a man, but he ends up with a mouth full of gravel." Proverbs 20:17 "If a ruler listens to lies, all his officials become wicked." Proverbs 29:11 "The king's heart is in the hand of the Lord; he directs it like a watercourse wherever he pleases." Proverbs 21:1 "He who trusts in himself is a fool, but he who walks in wisdom is kept safe." Proverbs 28:26 "See then that ye walk circumspectly, not as FOOLS, but as WISE, redeeming the time, because the days are EVIL." Ephesians 5:15-16*

26:35 God is going to use the foolish things of the world to confound the wise. The reason that He does things like this.....is because He deserves all the credit , and all the glory!!!*

26:36 *"So where does this leave the philosophers, the scholars, and the world's brilliant debaters? God has made the wisdom of this world look foolish. Since God in his wisdom saw to it that the world would never know him through human wisdom, he has used our foolish preaching to save those who believe." 1 Corinthians 1 :20-21*

26:37 He is crying out for you to get into the ARC before it is too late!!! He is sending a boat, and you need to decide to get in!!!* He sent his son to die a horrible death, go to hades for three days, and rise from the dead, so that you would not have to spend eternity in hell. The Lord is going to show the world the real Arc of Noah very soon. It will be visible for all to see.

26:38 *"As were the days of Noah, so will be the coming of the Son of Man. For just as in those days before the flood they were eating and drinking,(men) marring and (woman) being given in marriage, until the (very) day when Noah went into*

the ark. And they did not know or understand until the flood came and swept them all away---so will be the coming of the Son of Man." Matthew 24:37-39 "At that time two men will be in the field; one will be taken and one will be left. Two woman will be grinding at the hand mill; one will be taken and one will be left. Watch therefore (give strict attention, be cautious and active), for you do not know in what kind of a day (whether a near or remote one) your Lord is coming. But understand this: had the householder known in what (part of the night, whether in a night or a morning) watch the thief was coming, he would have watched and would not have allowed his house to be undermined and broken into. You also must be ready therefore, for the Son of Man is coming at an hour when you do not expect Him. Who then is the faithful, thoughtful, and wise servant, whom his master has put in charge of his household to give to the others the food and supplies at the proper time? Blessed (happy, fortunate, and to be envied) is that servant whom, when his master comes, he will find so doing. I solemnly declare to you, he will set him over all his possessions. But if that servant is wicked and says to himself, My master is delayed and is going to be gone a long time, and begins to beat his fellow servants and to eat and drink with the drunken, the master of that servant will come on a day when he does not expect him and at an hour of which he is not aware, and will punish him(cut him up by scourging) and put him with the pretenders (hypocrites); there will be weeping and gnashing of teeth." Matthew 40-51

"When the Son of Man comes in his glory, and all the angels with him, he will sit on his throne in heavenly glory. All the nations will be gathered before him, and he will separate the people one from another as a shepherd separates the sheep from the goats. He will put the sheep on the right and the goats on the left." Matthew 25:31

26:39 He is going to paint beautiful pictures in the sky for his children to see and glorify His name. He wants you sitting at the marriage supper of the Lamb. He wants your name in the Book of Life.

He has got your number, and He knows the numbers of hairs on your head!!! There is no time to waste. Tomorrow is promised to nobody. Instead of worrying about your 401-k , or your FICA SCORE.....what are you doing to set yourself for eternity. * ETERNITY IS MUCH LONGER THAN THE MERE 70-80 YEARS HERE ON EARTH. DO YOU HAVE FIRE INSURANCE??? THE AGENTS NAME IS JESUS CHRIST, AND HE SHED HIS BLOOD SO THAT YOU WOULD NOT HAVE TO BURN!

26:40 **"There was a rich man who was dressed in purple and fine linen and lived in luxury every day. At his gate was laid a beggar named Lazarus, covered with sores and longing to eat what fell from the rich man's table. Even the dogs came and licked his sores. The time came when the beggar died and the angels carried him to Abraham's side. The rich man also died and was buried. In HELL, where he was in torment, he looked up and saw Abraham far away, with Lazarus by his side. So he called to him, "Father Abraham, have pity on me and send Lazarus to dip the tip of his finger in water and cool my tongue, because I am in agony in this FIRE." "But Abraham replied, "Son, remember that in your lifetime you received your good things, while Lazarus received bad things, but now he is comforted here and you are in agony. And besides all this, between us and you a great chasm has been fixed, so that those who want to go from here to you cannot, nor can anyone cross over from there to us." "He answered, "Then I beg you ,*

father, send Lazarus to my father's house, for I have five brothers. Let him warn them, so that they will not also come to this place in torment." Abraham replied, "They have Moses and the Prophets; let them listen to them." "No, father Abraham," he said, "but if someone from the dead goes to them, they will repent." He said to him, "If they do not listen to Moses and the Prophets, they will not be convinced even if someone rises from the dead." Luke 16:19-31 "The leech has two daughters, "Give! Give! They cry. There are three things that are never satisfied, four that never say "Enough!" the grave, the barren womb, land which is never satisfied with water, and FIRE WHICH NEVER SAYS, "ENOUGH!" Proverbs 30:15-16

26:41 In closing, I want you to raise your right hand. Starting with your thumb , say J, E, S, U, S counting on each finger!! God gave His Children 5 fingers on each hand that perfectly spells the name of HIS SON JESUS. It was the hand of God that came in the form of Jesus to save you and redeem you. He has made you and knew you before you were in your mothers womb. No matter how badly you have sinned, DADDY GOD IS CALLING YOU TO THE DINNER TABLE. THE MEAL IS READY, AND THE FAMILY IS WAITING. DON'T PUT OFF THE FOLLOWING PRAYER FOR ANOTHER MOMENT, AND COME HOME BEFORE IT IS TOO LATE!!!

26:42 **"I will proclaim the decree of the Lord: He said to me, "You are my Son today I have become your Father. Ask of me, and I will make the nations your inheritance, the ends of the earth your possession. You will rule them with an iron scepter, you will dash them to pieces like pottery. Therefore, you kings, be wise; be warned, you rulers of the earth. Serve the Lord with fear and rejoice with trembling. KISS THE SON, lest he be angry and you be destroyed in your way, for his wrath can flare up in a moment. BLESSED ARE ALL WHO TAKE REFUGE IN HIM. Psalms 2: 7-12*

"Taste and see that the Lord is good; BLESSED is the man who takes refuge in Him." Psalms 34:8

And the Spirit and the bride say, COME. And let him that hears say, COME. And let him this is a THIRST COME. And whoever will, let him take the water of life freely." Revelation 22:17

For the Lord Himself will descend from heaven with a loud cry of summons, with the shout of an archangel, and with the blast of the trumpet of God. And those who have departed this life in Christ will rise first. Then we, the living ones who remain (on the earth), shall simultaneously be caught up along with (the resurrected dead) in the clouds to meet the Lord in the air; and so always (through the eternity of the eternities) we shall be with the Lord! Therefore, comfort and encourage one another with these words." 1 Thessalonians 4:16-18

"But as it is written: "Eye has not seen, nor ear heard, nor have entered into the heart of man the things which God has prepared for those who love him." 1 Corinthians 2:9

Love GOD and His Son JESUS,

Michelle

This prayer was given to Derek Prince, and was published in the book by the Hammonds, "Pigs in the Parlor." Read this from the depths of your heart and repeat the following prayer out loud wherever you are:

"Lord Jesus Christ, I believe you died on the cross for my sins and rose from the dead. You redeemed me by your blood and I belong to you, and I want to live for you. I confess all my sins..... known and unknown.....I am sorry for them all. I renounce them all. I forgive all others as I want you to forgive me. Forgive me now and cleanse me with your blood. I thank you for the blood of Jesus Christ which cleanses me now as my deliverer. You know my special needs.... the thing that binds, that torments, that defiles; that evil spirit, that unclean spirit. I claim the promise of your word,

'Whosoever that calls on the name of the Lord shall be delivered.' I call upon you now. In the name of the Lord Jesus Christ, deliver me and set me free. Satan, I renounce you and all your works. I lose myself in the name of Jesus, and I command you to leave me right now, in Jesus' name. AMEN!!!"

ADDENDUM 2017

As I openly stated in the forward of this book, I am not a bible scholar and am learning new things every day. I also stated 8 year ago when I wrote the manuscript in 2009 that many people who read this would be much well versed in the bible than I was. My job at the time was to tell my story and what Jesus had taught me personally and walked me through. I have been walking by faith for many years. I did what I was told to do, despite my ignorance, fear, apprehension, and no money at that time in my life.

I need to openly repent to anyone I unknowingly misled in the original manuscript and stated that "there was nothing on this earth that you could do and still be alive that the blood of Jesus Christ could not forgive."

That statement is incorrect.....there is ONE SIN that can not be forgiven.....it is called THE BLASPHEMY OF THE HOLY SPIRIT. I believe it has to do with TAKING THE MARK OF THE BEAST.....which is the ULTIMATE BLASPHEMY OF THE HOLY SPRIT. If you take the chip, "The Mark" or an implant you loose your soul forever.

"Taking the Mark", will be sold to the public as the trendy thing to do. It will be easily implemented because of the theft and loss of cash and credit cards and the public will once again be told it is for their safety and security.....INSECURITY that is! This technology already exists and is in use in various places including Spain. Once implanted in either the forehead or right hand, the chip or Mark will then slowly program you and change your DNA to receive the programming of the Beast System run by Lucifer Himself.

The following scriptures spell this exact scenario we are seeing being rolled out exactly like God told us thousands of years ago through His prophets and seers.

Revelation 13:16-18 Amplified Bible (AMP)

16 Also he compels all, the small and the great, and the rich and the poor, and the free men and the slaves, to be given a mark on their right hand or on their forehead [signifying allegiance to the beast], 17 and that no one will be able to buy or sell, except the one who has the mark, either the name of the beast or the number of his name. 18 Here is wisdom. Let the person who has enough insight calculate the number of the beast, for it is the [imperfect] number of a man; [a]and his number is [b]six hundred and sixty-six. (666)

Revelation 14:9-12 Amplified Bible (AMP)

Doom for Worshipers of the Beast

9 Then another angel, a third one, followed them, saying with a loud voice, "Whoever worships the beast and his image and receives the mark [of the beast] on his his forehead or on hand, 10 he too will [have to] drink of the wine of the wrath of God, [a]mixed undiluted into the cup of His anger; and he will be tormented with fire and brimstone (flaming sulfur) in the presence of the holy angels and in the presence of the Lamb (Christ). 11 And the smoke of their torment ascends forever and ever; and they have no rest day and night—those who worship the beast and his image, and whoever receives the mark of his name." 12 Here is

[encouragement for] the steadfast endurance of the saints (God's people), those who habitually keep God's commandments and their faith in Jesus.

Revelation Chapters 19-20

The Fourfold Hallelujah

19 After these [a]things I heard something like the great and mighty shout of a vast multitude in heaven, [b]exclaiming,

"Hallelujah! Salvation and glory (splendor, majesty) and power (dominion, might) belong to our God; 2 because His judgments are true and righteous. He has judged [convicted and pronounced sentence on] the great prostitute (idolatress) who was corrupting and ruining and poisoning the earth with her adultery (idolatry), and He has imposed the penalty for the blood of His bond-servants [c]on her." 3 And a second time they said, "Hallelujah! Her smoke shall ascend forever and ever." 4 Then the twenty-four elders and the four living creatures also fell down and worshiped God who sits on the throne, saying, "Amen. Hallelujah (praise the Lord)!" 5 Then from the throne there came a voice, saying, "Praise our God, all you bond-servants of His, you who fear Him, the small (common) and the great (distinguished)." *Marriage of the Lamb*

6 Then I heard something like the shout of a vast multitude, and like the boom of many pounding waves, and like the roar of mighty peals of thunder, saying,

"Hallelujah! For the Lord our God, the Almighty, [the Omnipotent, the Ruler of all] reigns. 7 "Let us rejoice and shout for joy! Let us give Him glory and honor, for the marriage of the Lamb has come [at last] and His bride (the redeemed) has prepared herself." 8 She has been permitted to dress in fine linen, dazzling white and clean— for the fine linen signifies the righteous acts of the saints [the ethical conduct, personal integrity, moral courage, and godly character of believers].

9 Then the angel said to me, "Write, '[d]Blessed are those who are invited to the marriage supper of the [e]Lamb.'" And he said to me [further], "These are the true and exact words of God." 10 Then I fell down at his feet to worship him, but he [stopped me and] said to

me, "You must not do that; I am a fellow servant with you and your brothers and sisters who have and hold the testimony of Jesus. Worship God [alone]. For the testimony of Jesus is the spirit of prophecy [His life and teaching are the heart of prophecy]."

The Coming of Christ the Conqueror

11 And I saw heaven opened, and behold, a white horse, and He who was riding it is called Faithful and True (trustworthy, loyal, incorruptible, steady), and in righteousness He judges and wages war [on the rebellious nations]. 12 His eyes are a flame of fire, and on His head are many royal crowns; and He has a name inscribed [on Him] which no one knows or understands except Himself. 13 He is dressed in a robe dipped in [f]blood, and His name is called The Word of God. 14 And the armies of heaven, dressed in fine linen, [dazzling] white and clean, followed Him on white horses. 15 From His mouth comes a sharp sword (His word) with which He may strike down the nations, and He will [g]rule them with a rod of iron; and He will tread the wine press of the fierce wrath of God, the Almighty [in judgment of the rebellious world]. 16 And on His robe and on His thigh He has a name inscribed, "KING OF KINGS, AND LORD OF LORDS."

Doom of the Beast and False Prophet

17 Then I saw a single angel standing in the sun, and with a loud voice he shouted to all the birds that fly in midheaven, saying, "Come, gather together for the great supper of God, 18 so that you may feast on the flesh of kings, the flesh of commanders, the flesh of powerful and mighty men, the flesh of horses and of those who sit on them, and the flesh of all humanity, both free men and slaves, both small and great [in a complete conquest of evil]."

19 Then I saw the beast and the kings and political leaders of the earth with their armies gathered to make war against Him who is mounted on the [white] horse and against His army. 20 And the beast (Antichrist) was seized and were killed with the sword which came from the mouth of Him who sat on the horse, and all the birds fed ravenously and gorged themselves with their flesh.

Satan Bound

20 And then I saw an angel descending from heaven, holding the key of the abyss (the bottomless pit) and a great chain was in his hand. 2 And he overpowered and laid hold of the dragon, that old serpent [of primeval times], who is the devil and Satan, and bound him [securely] for a thousand years (a millennium); 3 and the angel hurled him into the abyss, and closed it and sealed it above him [preventing his escape or rescue], so that he would no longer deceive and seduce the nations, until the thousand years were at an end. After these things he must be liberated for a short time.

The Millennial Reign

4 And then I saw thrones, and sitting on them were those to whom judgment [that is, the authority to act as judges] was given. And I saw the souls of those who had been beheaded because of their testimony of Jesus and because of the word of God, and those who had refused to worship the beast or his image, and had not accepted his mark on their forehead and on their hand; and they came to life and reigned with Christ for a thousand years. 5 The rest of the dead [the non-believers] did not come to life again until the thousand years were completed. This is the first resurrection. 6 Blessed (happy, prosperous, to be admired) and holy is the person who takes part in the first resurrection; over these the second death [which is eternal separation from God, the lake of fire] has no power or authority, but they will be priests of God and of Christ and they will reign with Him a thousand years.

The Final Rebellion

7 And when the thousand years are completed, Satan will be released from his prison (the abyss), 8 and will come out to deceive and mislead the [j]nations which are in the four corners of the earth—[including] Gog and Magog—to gather them together for the war; their number is like the sand of the seashore. 9 And they swarmed up over the broad plain of the earth and surrounded the camp of the saints (God's people) and the beloved city [[k]Jerusalem]; but fire came down from heaven and consumed them.

10 And the devil who had deceived them was hurled into the lake of fire and burning brimstone (sulfur), where the beast (Antichrist) and false prophet are also; and they will be tormented day and night, forever and ever. The Final Judgment

11 And I saw a great white throne and Him who was seated upon it, from whose presence earth and heaven fled away, and no place was found for them [for this heaven and earth are passing away]. 12 And I saw the dead, the great and the small, standing before the throne, and books were opened. Then another book was opened, which is the Book of Life; and the dead were judged according to what they had done as written in the books [that is, everything done while on earth]. 13 And the sea gave up the dead who were in it, and death and Hades (the realm of the dead) surrendered the dead who were in them; and they were judged and sentenced, every one according to their deeds. 14 Then death and Hades [the realm of the dead] were thrown into the lake of fire. This is the second death, the lake of fire [the eternal separation from God].15 And if [l]anyone's name was not found [m]written in the Book of Life, he was hurled into the lake of fire.
